To the Editor of Record :-Who said our town boys were faint hearted on the fair day, and six robust men were ready to pull or be pulled over the line, from two until five thirty o'clock p.m. Yours truly,

We can only have the highest happiness such as goes along with being a great man - by having wide thoughts and much feeling for the rest of the world as well as ourselves; and this sort of happiness often brings so much pain by its being what we would choose before everything else, because our souls see it is good.
