### Varency Women's Institute

The Varency Women's Institute held their April meeting at the home of Mrs. Frank Saunders when the usual enthusiasm and good comradeship prevailed. Although the Branch organized two years ago the membership has nearly doubled in the past year and it is now reckoned one of the most progressive in the county. Much work has been accomplished in the past year. Nine quilts beside a consignment was sent to Toronto City Mission, these all being made and donated by the members. \$100 in cash was given to Patriotic purposes and \$10 for local relief. During the last two months the Society purchased yarn and flannel and from these thirty pairs of socks and twenty-four night shirts were completed and sent to the Haldimand boys at the front. Even though so much work has been accomplished for "King and Country" the home part has not been neglected. The Committee appointed has been very diligent visiting the sick and providing flowers for them. Meetings were held each month during the entire year and the different numbers of the program so ably carried out have been a source of inspiration to each of the members. The May meeting will be held at the home of Mrs. Thos Brown, where the business of the past year will be closed and officers will be elected for the coming year.

### Anniversary

On Monday evening, March 29th a number of friends gathered at the residence of Mr. and Mrs. C. Field, to celebrate with Miss Christiana Wadsworth, the 60th anniversary of her residence on this farm. Miss Wadsworth first came here on March 28th, 1855, and during all that time has only missed eating one Christmas dinner at her own home, and that in recent years, when she dined with Mr. and Mrs. David Greig. She is a staunch supporter of the Church of England, and always has an open purse for the numerous enterprises in which the church is engaged.

Miss Wadsworth is quite hale and hearty and during the pleasant hour spent with her, she recounted many pleasing episodes of by gone years and also called attention to the fact that 60 years ago Great Britain and France were fighting against Russia to preserve the Barmenades to Turkey. How times change.

Miss Wadsworth was the recipient of a beautiful arm chair, an ornate clock, and several other useful articles, and Mr. W. E. Wicker spoke a few words appropriate to the occasion. Among those present were—

Mrs. Robert Wood, Mrs. R. P. Bannard, Mrs. Winger, Mr. and Mrs. M. Walker, Mr. and Mrs. James Vokes and Mr. John Snowdon, all of whom have known Miss Wadsworth for very many years, and can testify to the kindness of her disposition.

Games were indulged in and about midnight the guests sat down to a hearty lunch provided by the hostess of the evening, Mrs. Colin Field, a fitting finale to a very enjoyable evening. After wishing Miss Wadsworth continued good health and happiness, the guests departed to their respective homes.
