For a Machine Gun.

The Jarvis Machine Gun League is pushing its campaign for funds with vigor.

Mr. Wm. Parkinson, with characteristic energy, has thoroughly canvassed the town. He has worked so far for subscriptions of $25 and over. He will start on smaller sums tomorrow. The committee feel that Mr. Parkinson has had to do needless talking. Each person should know his or her duty to our King and Country and should respond at once with what they had promised or are able to give. Others are risking their lives, surely we can give them something with which to fight for us.

It is said that the more guns we send, the more of our boys will come home alive

The following is the list $25 and over, if sufficient is raised for the purchase of a gun.

We, the undersigned, feeling the necessity of our great Dominion to rally to the assistance of our Empire's call for munitions of war, have decided to contribute to the Department of Militia for the purchase of Machine Guns, or other equipment that in its wisdom appears most desirable, the sums opposite our respective names. Thomas A. Ivey Accidentally Killed

On Saturday night, at 6.30 o'clock, the Grand Trunk train, while crossing King street at Ferguson Ave. struck a jitney driven by Ernest Ruz killing Thomas A. Ivey, a passenger in the jitney, but not injuring Ruz seriously. Ruz was later arrested on a charge of criminal negligence. He was driving west when the train was approaching, and the watchman was on the crossing with a red flag, it is stated, but Ruz says he did not see either watchman or train until he was almost on the tracks, and had not time to stop. He put on speed in an endeavor to cross, but the engine struck the hind wheel, throwing the jitney against a telegraph post on the corner. Mr. Ivey was badly mangled and died before the hospital was reached. He was a florist and recently moved from Port Dover to Hamilton. He was born in Haldimand county 69 years ago, and is survived by his wife and a family of four sons and three daughters.
