OLD OR SPARE RAZORS Required

Some months ago the Cutlers' Company was approached by the War Office to carry out the collection of spare or discarded Razors throughout this country, putting them in order when received and sending them forward for the use of the troops.

This course was necessary owing to the inability of the manufactures to meet sufficiently and rapidly the requirements of the soldiers at the front.

Up to the present 70,000 have been received, but the need for razors is not yet entirely met.

In contributing to the collection your efforts will be greatly appreciated by the authorities.

Look them up quick! Leave them at E. T. Carter's Hardware or send by Post.
