BRING IN THE NEWS

Do you appreciate your Record? Would you like to see more news in your paper? Would you prefer more detail in the news that is published? If so, there is a way in which you, as a reader of this paper, can help to make it more to your liking. It takes a lot of running around, much time and some inconvenience for a newspaper to gather small news items such as personals, notices of small meetings, social gatherings, afternoon teas, slight mishaps, etc. It is the business of a reporter to do this, of course, — but even when he does his best there are always a few items left over because he is not in touch with those concerned or does not hear of them until it is too late. Now the way in which you can help The Record is to call us up, drop us a line, drop in and tell us, or often you might conveniently write it out and mail it to us. Anyway let us have an intimation of anything of news value just as soon as you become acquainted with it. We will

Guelph Water.

Guelph, Jan. 19.—Rumors were current on the streets on Saturday evening to the effect that the city water had been poisoned. Church goers were greeted on Sunday morning with large posters nailed to telegraph poles, officially stating that the water was contaminated, and must be boiled before using, otherwise it would cause serious illness. This warning was given out by the medical health officer, Dr. E. O. Hewitt, and is to remain in effect until further notice.

One Sweetly Solemn Thought.

How dear to our hearts is the steady subscriber, Who pays in advance at the birth of each year Who lays down his money and does it quite gladly, And casts round the office a halo of cheer, Who never says, "Stop it; I can't afford it, I'm getting more papers than now we can read," But always says "Send it; we all of us like it, In fact, we think it a help and a need," How welcome his cheque when it reaches our sanctum; How it makes our pulse jump, how it makes our heart dance, We outwardly thank him, we inwardly bless him, The steady subscriber, who pays in advance.

Remember the RISK.
