Courtland Village Sends Five Men

Courtland has given another son to the Empire in the person of Rev. W. Wilkinson who has resigned from the Methodist ministry to obey the call to arms. He returned home last Friday to say good-bye ere he left on Saturday for Toronto to join his regiment. Rev. Wilkinson was stationed at Mildmay, Ont., and was also attending Victoria University, Toronto. His many friends wish him God speed and a safe return. Surely such a sacrifice is worthy our highest praise, and is but another link in the chain of evidence indicating that Canada is giving her best to the motherland. This is five men from Courtland and vicinity, viz.—Mr. E. Pratt, Mr. Hal. Renwick, Mr. Campbell, Mr. Kelly and Rev. Wilkinson.

Settlement Worker, visiting tenements—And your father is working now and getting ten dollars a week! That's splendid, how much does he put away every Saturday night my dear Little Girl.—Never less than three quarts m'am.—New York Post

THE NEWSPAPER LAW.

The law regarding newspapers has been amended so that it protects the publishers more than formerly. Any one taking a newspaper from the post office, whether they have ordered it or not, becomes liable for payment for same, unless it is marked "Specimen Copy." Another amendment is that no subscriber to a newspaper can stop same or refuse it at the postoffice until they have paid up all that is in arrears.

NOTICE

There has been a 40 per cent. increase in the price of vegetable parchment, used in wrapping butter. This paper is made in Germany, and the increase is one of the results of the war. While our present stock lasts, The Record will print the genuine vegetable parchment, at \$2.25 per M. or \$1.50 per five hundred. The wholesalers contend that the price will go still higher.
