German Raiders

Driven Off

London, July 6.-The British Admiralty announces that with regard to the Berlin report of an air raid on Harwich, the following are the facts of the incident, which, otherwise "is hardly worth recording."

"On Saturday forenoon a German seaplane and aeroplane appeared off Harwich, flying very high. Our aircraft immediately started in pursuit and drove them off The hostile aircraft then dropped their bombs into the sea and made their escape, still flying at a great height.

Japanese Grass Mats

There's no doubtabout it, an unfurnished Summer Cottage looks like an empty barn; even a tent with its carpet of green grass is more attractive; but just cover the floors of the cottage and note the difference.

You've added the first howelike touch. But it doesn't pay to use good carpets when Japanese Grass Mats may be purchased so cheaply.

For this purpose these pretty grass mats are really more satisfactory than carpets. They are highly sanitary, easily cleaned, and suitable for every room (even on the verandah.)

We have them in just as pretty patterns and colors as you will find in expensive rugs. Here's the sizes and prices.

REVERSIBLE GRASS MATS

Splendid quality, fancy interwoven Oriental designs, in blue, red, green or brown combinations.

3 ft. x 6/t. for 39 cents each $6ft. \times 9ft.$ for \$1.50 each

9ft. x 9ft. for \$2.50 each.

9ft. x 12ft. for \$3.00 each 36 in. wide (any length) at 25c per sq. yd.

Our Matts are distinctive, you can rarely get them in small towns, and they give good service for the money invested.

If you haven't the time to call personally, write TO. DAY stating, sizes of the rooms and color combinations required; enclose cash with order; we will ship promptly and Prepay the Frieght.

Should the matts not meet with your entire approval, return at our expense, we will cheerfully refund you money.

Yet neglect of this internal bathing shows itself in spotty, and sallow complexions—as well as in dreadful headaches and biliousness. "The War Summary"

Almost from the very day the great European war began in August last, the outstanding feature in Canadian journalism covering the conflict has been "The War Summary" daily on pages I and 2 of THE GLOBE. In the concisest possible form the writer has given his readers a pen picture of the developments in all parts of the world. While the details of the movements along the extended frontiers have not been overlooked, the readers of THE GLOBE have been enabled to follow intelligently and with confidence the general outlines of the stupendous conflict. "The War Summary" of THE GLOBE is reproduced daily by several papers throughout the Dominion.

The Editorial Page

THE GLOBE on its editorial page has striven to place before the public in proper perspective the broad background of the titanic struggie. This series of articles has attracted the attention not only of the Canadian people, but of leading men and journals in all parts of the world. The causes leading up to the war, the elements entering into its conduct, and the results likely to flow from the cessation of hostilities have been dealt with in that bold and clear cut form characteristic of THE GLOBE'S editorial page.

News Service

The above features, in addition to a calibe and letter service from the front unmatched in Canada, have placed THE GLOBE far in the lead of Canadian papers, and partly explain the phenomenal increase of 331-3 per cent, in THE GLOBE'S circulation during recent menths. Other Features

The sporting pages, the financial and commercial pages, the woman's pages, etc., etc., with the additional pages in Wednerday's issue devoted to "Farm and Country Life," are maintained at a high standard of excellence, a standard that has justified The Causala's National Newspaper, and has given it by many thousands the largest circulation of any morning paper in the Dominion.

Local and City Papers

By all means take your local major, but in the field of metropolitan newspapers TME 64.000 ubjectionably offers you the greatest value to be had in Canada. Order it 10 day. 25 cents per month one dollar for four months—three dollars per year.
