The W. M. S. of the Methodist church will meet at the home of Mrs. Geo. Histed on Tuesday, July 6th. Full attendance is requested. All are welcome.
On Monday, while Miss Katie Montague was driving down Main street the horse slipped on the pavement causing it to fall. Fortunately no damage was done.
Mrs. Chas. Walters was one of the entertainers at the garden party last Thursday evening held at Sanduski and her selections were very much appreciated by those who heard her.
Word was received of Daniel Brunning's son, Pte. William Brunning of the 1st Canadian Contingent, 1st Batt., being killed in action on Monday, June 23. The boys will remember him as one of Jarvis' old boys.
At Hagersville on Monday week the fine new armory of the local company of the 37th Haldimand Rifles was formally opened. Major A. F. Hatch, of the No. 9 C. A. S. C., was present to take over the building and a very pleasant function was held. Capt. Almas is the O. C. of the company. After the opening there were speeches and an appetizing luncheon was served. Provided with excellent quarters it is expected that matters military will boom in that section of Haldimand.

HYMENIAL

Merrill-Allen

A wedding was solemnized at the residence of Mrs. Bryce Allen, Jarvis, on Wednesday, June 23, when her daughter, Margaret Amelia, was united in holy matrimony to Mr. L. Leeland Merrill, of Regina, formerly of Brantford, the Rev. J. R. MacCrimmon conducting the ceremony.
The bride was given away by her uncle, Mr. J. D. Ivey, of Toronto, and looked charming in a gown of Brussels net embroidered in Soutache braid over silk. With this she wore a veil caught with orange blossoms. Miss Caryl Jaques and Miss Grace Lewis wore bridesmaids' gowns of blue and apple green silk and carried Killarney roses. Miss Alice Wells, of Chicago, small cousin of the bride made a dainty flower girl. Miss Lenore Ivey, of Toronto, delighted the guests with Wilfrid Saunders' new song, "Until" The house was prettily decorated with field daisies and sweet peas. After the ceremony, Mr. and Mrs. Merrill left for the West, the latter in a suit of Belgian blue poplin, and a smart black and white turban. They will reside in their new home 2127 Cornwall St. Regina.
Out-of-town guests present were as follows—
Mr. and Mrs. Merrill, Brantford; Mr. and Mrs. J. D. Ivey, Toronto; Mr. Sidney Ineson, Port Rowan; Miss Helen Ivey, Brantford; Misses Doris and Leone Chambers, Brantford;

Successful Students of Jarvis Public School

Pass.—John Rodgers, Bessie Fong, Harry Belbeck, Willie Mattie, Herman Fess. R. V. Smith, Teacher.

Red Cross Party a Success

The Red Cross Garden Party and dance held at the residence of Mr. L. A. LePan on Tuesday evening was a decided success and a large attendance was present, notwithstanding the threatening clouds. The night was delightful otherwise and the outdoor event was truly the best of the season. The dance held in Mr. A. F. Hodgson's big house was well patronized and much enjoyed. Pursell's Orchestra, Simcoe, supplied the music. A jitty service carried the people to and from the party. A little over \$200 was realized, the proceeds to be devoted to patriotic purposes. A more detailed report will be given next week.

Marburg

John Aitken, wife and family, of Michigan, were visitors at Jas. Challand's on Friday.
Most of the farmers are busy with the hay these days.
Will Ryser, Geo and Mrs. Crobie returned to Silverdale on Saturday afternoon.
Quite a few of the people around here were at the decoration day services on Sunday.
Nathan Budge, George and Sidney McBride with their wives motored to Smithville on Sunday.
Mrs. W. Budge and Miss Piper spent Wednesday at Mr. Jeffrey's.

Institute Meeting

Successful Meeting of Farmers' and Women's Institute Held Here on Saturday Last, June 26th

The Convention of the Haldimand Women's Institute held at Jarvis last Saturday was largely attended, delegates from every branch being present. The morning session was given wholly to the election of officers for the ensuing year. In the afternoon, reports from each branch in the district were given showing the work done. The greater portion of the work done during the year was given to the Red Cross Society, Belgium Relief fund, and knitting and sewing for the soldiers, thus showing the interest of the women of our county are taking in trying to help those who are so nobly defending our country.
Miss Ethyl Snyder then sang a patriotic song "Land of Hope and Glory"—which was very appropriate.
Miss Ethel M. Chapman of Toronto, was the speaker of the day and took for her subject, "The Institute and Community Education." She said in part—
The Institute first began its educational campaign in educating the individual especially the busy homemakers who would find it impossible to further their education through any other medium. The study and the addresses at the monthly meetings are important in this regard and no Institute can afford to drop the regular programme. The life of an average woman can be divided into three parts, first, 20 or 25 years when she is learning to live, the next 20 or 25 years which she must necessarily devote largely to her family, and the rest of her life she should give to the community and the state. The danger period lies in the middle period. Its duties are sometimes so pressing that without some diversion of the nature of an Institute, the woman is likely to lose interest in everything outside the routine of the house, a condition which is disastrous to the best status of home life. Circulating libraries, the Chatauguay Study courses and home reading may be promoted by the Institute. Miss Chapman spoke of the influence of broadminded mothers on the lives of great men.
The Institute can promote an excellent line of education for girls and women in bringing to the community the short courses in Domestic Science taught by the Department. This fall the study of Mothercraft is to be included in some courses, a branch of education for girls in which the Institute can claim to be the initiative force in Canada. The speaker emphasized that the Domestic Science course was not to be mistaken for a series of lessons in fancy cooking, but rather the scientific study of balanced rations for human beings, and an effort in the direction of dignifying the housecraft and inspiring a right idea of living, especially to educate the girls to see housekeeping in the light of fine art and a broad profession.
The country needs education to a better social life for young people. She compared the common amusements with what might be accomplished by the Institute in organizing literary societies and bringing high class lectures and concerts to the neighborhood. Amateur plays, skating rinks, and tennis courts also had an important place.
Education in community cooperation can be promoted by the Institute.
We are beginning to realize the importance of the slogan "Canadian First." The best way to further this is to carry out the idea of "Your own Community first." Co-operation with the local stores, steps for better markets and the possibility of establishing co-operative laundries in connection with local creameries or the cheese factories was emphasized.
The Institute could also do a great deal to encourage the introduction of vocational training in the schools—Agriculture, school gardening and whatever tends to bring the school closer to the needs of country life. The Institute is also the organization best fitted to promote a broader spirit of neighborliness. In every district there are women who need the education that the Institute can give but who are not in the Institute because they have never been approached on an equal level.
Another problem for the Institute to take up is the possibility of bringing city conveniences and labor savers to the country home. The plan of having demonstrations of labor saving machinery, plumbing arrangements etc., demonstrated at the fall fairs was advised.
The greatest educational movement of the Women's Institute, however, has been that of educating the community up to the need of patriotic work now. At the end of last February the W. I. of Ontario had contributed \$30,000 in money; \$25,000 goods, and \$5,000 to the Hospital Ship fund. Everyone is wondering where the money comes from but we are only beginning. The need is as great now as it was in the beginning, and while we have been fairly liberal, many of us have not yet given until we felt the sacrifice. The Institutes need never feel embarrassed at getting any amount of money from the public for the needs of the nation now. It is a privilege to give to this cause.
Among other things it was suggested that when the fruit season opens some Institutes might form bees to make jams and jellies for the Red Q. Society.
Mr. Graham of Guelph, gave a short address on Poultry and how to get the best laid eggs to the consum-

County Council

Council met pursuant to adjournment.

The Warden in the chair, all the members present, except Mr. Ingles. The minutes of the last meeting were then read.
Roulston - Pyle that the minutes be adopted as read.
A number of communications were received and read.
Roulston - Aldridge that the report of the Committee on Communications be received and read.
The report was then read and adopted on motion of Messrs. Toohy & Clark.
Bain - Patton that the report of the Agricultural Committee be received and read.—Carried.
To the Warden and Members of the County Council—
Gentlemen, we your Agricultural Committee, beg leave to report as follows—
The District Agricultural office has been performing its duties with a regular staff of three. N.R. Martin, a specialist, was also in our employ for a period of five weeks last spring.
Three rural school fairs have been organized covering Walpole, Rainham and the greater part of Oneida and Seneca.
Orchard pruning demonstrations have been conducted at the following points, Springvale, Jarvis, Cayuga and Dunnville.
A six weeks' course in Agriculture was held in Hagersville last winter at which 40 young men attended, ranging in age from 17 to 33 years.
Many other phases of work are being undertaken such as the production of pure bred stock and registered seeds. With regard to the latter, 40 bus. of registered No. 72 Oats were placed with various members.
We are still of the opinion that Alfalfa stands for prosperity. Owing to the prominence given Haldimand County last winter at the Ontario Provincial Winter Fair, in the producing of high grade alfalfa seed, we would strongly recommend that the county council give the sum of \$25, as a special prize to exhibitors from the county, the same to be divided into four prizes of \$10, \$7, 5 and \$3 each. This exhibit would be compact and placarded.
In connection with the production of Grimm's alfalfa, three new plots have been placed in the County, making a total of seven plots. All are making very satisfactory growth.
We do hereby recommend the purchase of a Ford car for the use of the district office, the same to be paid for out of the annual grant to the office, \$300 to be taken from the funds on hand and \$200 from the grant of 1916. We do also recommend that the Council offer security to the Canadian Bank of Commerce for the advance from next year's grant, the interest to be charged to the Ontario Department of Agriculture, Toronto.
All of which is respectfully submitted, J. A. McConnell, Chairman.
Bain - Patton—That the report of the Agricultural Committee be adopted as read. Carried.
Ingles - Pyle—That this Council do now adjourn to allow the different committees to meet. Carried.
Turnbull - Root—That we resume business with the warden in the chair. Carried.
Toohy - Holmes—That the report of the Good Roads Committee be received and read.
Roulston - Ingles—That the resignation of R. G. Kyd as County Road Superintendent be accepted, and the Clerk be instructed to prepare a bill to rescind the by-law appointing said R. G. Kyd as County Road Superintendent and that the same be read a first time. Carried.
Toohy - Holmes—That the report of the Patriotic Committee be received and read. Carried.

Report of Patriotic Committee
