# Japanese Grass Mats

## FORTHE SUMMER COTTAGE

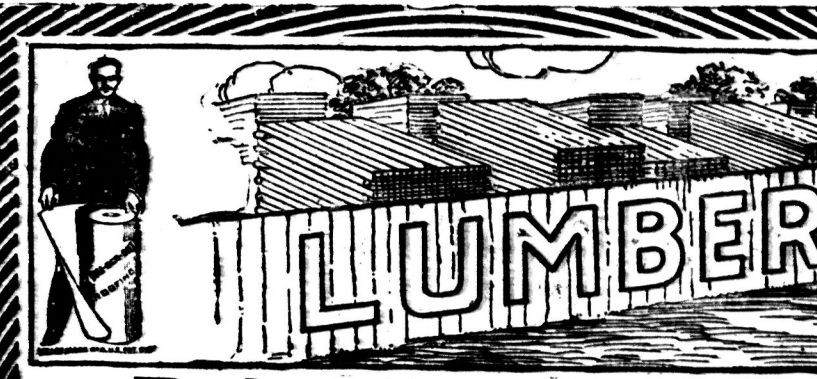

There's no doubt about it, an unfurnished Summer Cottage looks like an empty barn; even a tent with its carpet of green grass is more attractive; but just cover the floors of the cottage and note the difference.  
 You've added the first homelike touch. But it doesn't pay to use good carpets when Japanese Grass Mats may be purchased so cheaply.  
 For this purpose these pretty grass mats are really more satisfactory than carpets. They are highly sanitary, easily cleaned, and suitable for every room (even on the verandah).  
 We have them in just as pretty patterns and colors as you will find in expensive rugs. Here's the sizes and prices.

## REVERSIBLE GRASS MATS

Splendid quality, fancy interwoven Oriental designs, in blue, red, green or brown combinations.  
 3 ft. x 6 ft. for 39 cents each  
 6 ft. x 9 ft. for \$1.50 each  
 9 ft. x 9 ft. for \$2.50 each  
 9 ft. x 12 ft. for \$3.00 each  
 36 in. wide (any length) at 25¢ per sq. yd.

Our Mats are distinctive, you can rarely get them in small towns, and they give good service for the money invested.  
 If you haven't the time to call personally, write TO. DAY stating sizes of the rooms and color combinations required; enclose cash with order; we will ship promptly and Prepay the Freight.  
 Should the mats not meet with your entire approval, return at our expense, we will cheerfully refund you money.
