REDCROSSDAY

What will you do for these?

MAGNIFICENT soldiers and sailors from every part of the British Empire are laying down their lives for you and yours. Perhaps some of your own blood are amongst them.

An urgent appeal has gone forth from the Marquis of Lansdowne, President of the British Red Cross, for funds to provide medicines, appliances, comforts, and hospital equipment of all kinds to alleviate the sufferings from wounds and sickness of sailors and soldiers from all parts of the Empire. This appeal is endorsed by their Majesties, the King and Queen, and every British possession is setting aside, by official proclamation

"Our Day" For Sailors and Soldiers Oct. 21

as a day of public giving to aid in this splendid cause, which stands in severe need of assistance owing to the tremendous demands upon Red Cross work.

Ontario's Quota is set at \$500,000

We can and will raise this amount as a token that Ontario feels for our wounded heroes and will not see them languish in their pain and suffering for the want of medical and other comforts. Do your part and make "Our Day for Sailors and Soldiers" a tremendous success in your locality.

"We shall be truly grateful to you for assistance in relieving the sufferings of our wounded soldiers and sailors from all parts of the Dominion."

Lansdowne,
President British Red Cross Society.

"This is the first appeal of the Motherland to Canadians in this present war. It calls upon our humanity as well as our loyalty."

John S. Hendrie,
Lieut.-Governor of Ontario.

Give to the Red Cross

Every cent collected goes to British Red Cross headquarters, where it is officially and wisely spent. No money is wasted in expenses, even this advertising space is donated by the publishers.

Give a day's pay. Do your part. Give liberally and loyally. Give your money, because these brave ones—our sailors and soldiers, are giving their lives for us. Collectors on October 21 will solicit your subscription—or make it through your Mayor or Reeve.

Varency W. I. Meeting

The monthly meeting of the Varence Women's Institute was held at the home of Mrs. W. R. Hodges on Thursday, Oct. 7. There were 37 present. After business matters were completed, a good programme followed. A paper by Mrs. R. A. Miller, Subject, "What I owe the World." Mrs. Howey then favored us with an instrumental selection, after which Mrs. J. Butcher read a paper on "The Twentieth Century Farmer's Wife." A solo was then rendered by Miss Thompson. A paper on "Advantages of Home Book-keeping" by Mrs. S. F. Saunders. After a photographic selection, Miss Chilton gave a humorous reading. The meeting closed with singing the National Anthem.

The next meeting will be held at the home of Mrs. Geo. Dennis on Nov. 4, at 2 p.m. Will the Institute members please note the change, that all persons sewing and knitting, etc. to be returned to the Secretary by Oct. 11 instead of Nov. 4.

WOUNDED AND WAITING.

A wounded man has often to lie some time before he can be removed from the trenches. Soldiers must not tamper with wounded—they must instantly call the ambulance men stationed along all trenches. The ambulance men, by using ether soap, rub away all septic matter. The wounds are then bandaged, and the patient waits for removal and treatment.

AN OLD RESIDENT.

J. E. Anderson has the distinction of being not only the oldest born resident, but is also the oldest property holder in Port Dover and still occupies the same old homestead purchased by his father from Messrs. Powell & Nickerson nearly eighty years ago and is the only property in town that has not changed hands since the purchase.—Maple Leaf.
