LUMBER

Before You Build or Make Repairs

let us give you our prices on first-class lumber that will work up without waste—and high-grade, fire-resisting roofing that cannot rot, rust, crack or leak. This roofing is

RU-BER-OLD ROOFING

It doesn't pay to buy either shaly lumber or low-grade roofing. We'll help you select the choicest lumber in the market, and we'll sell you roofing that will not go wrong. We know that on your roof will put an end to annoying, expensive repair bills. Contains no coal tar or sulphuric acid which crack or dry out. It cannot rot, rust, warp or decay.

RU-BER-OLD is the permanent roofing of proven quality. Hundreds of roofs covered with it are still waterproof after more than 20 years of service.

We carry the genuine, with the "Ru-ber-old Man" (shown above) on every roll. It comes in slate grey and colors—Tile Red or Copper Green. Come in and look this roofing over or write or phone for samples and prices.

The Huron branch of the Canadian Patriotic Fund has an advertising wagon on the streets of Goderich impressing on their memory the exhortation and warning that all who can must "Fight or Pay."

The Record will be sent to any address in Canada from now till January 1st, 1917, for the sum of \$1.00 to NEW subscribers only. 50c extra on papers going to the States. Get your name on the list at once.

Many people make the mistake of putting honey in a cold damp place. This should never be done. Never put honey in your cellar, it should be kept free from all dampness. Put it in glass jars, using mosquito netting, instead of glass tops, and put it in a warm dry room. We are indebted to a local apirist for this information, which is very reasonable, as many people are now buying honey, which is fairly plentiful this season.
