### What Britain's Navy Has Accomplished

La Guerre Sociale (Paris).—"What would have become of us even after the battle of the Marne, if the German fleet had driven us from the east and had blockaded us; if Germany had been able to revictual herself in America and elsewhere? Britain goes to war. Immediately the German fleet is forced to confine itself to its own territorial waters. Germany is blockaded and cut off from the whole world. She is cut off from countries which supplied her with cotton, metals and munitions of all sorts; from countries where, too, are one million of her reservists, who are unable to rejoin. Our army is reinforced by an army which is being made up slowly but surely, of all the best fighting material, not only in Britain, but in Canada, South Africa and Australia, and our financial power is being consolidated by its alliance with the greatest financial power in the world, the power which in the twelfth month of the year is capable of raising, without inconvenience to herself, a loan of £240,000,000.

### FIVE WERE KILLED IN AN AUTO SMASH

Five dead out of a party of six was the awful toll taken by the level crossing accident on King street, a mile or two west of the western city limits of Hamilton at noon on Saturday. J. W. Heaton the owner and driver of the car, who resided in St. Catharines, was the only one to escape almost instant death. Mrs. Heaton, his wife, of St. Catharines, and Mr. and Mrs. Charles Peach and two sons, Allan and Ray, of Port Rowan, were killed almost instantly. An inquest was ordered.

### THINGS WILL OF CANADIAN SOLDIERS

MR. E. P. VANNORMAN, of Milwaukee, Wis., in a note to the Hillsborough Observer, expresses great admiration for the Canadian Soldiers who are fighting for the Empire in France. He writes:—"Canada must be very proud of her soldier boys. I wish England had a million such. There would be something doing when they charged with fixed bayonets."

Mr. VanNorman is an uncle of the Messrs. Gen. W. and E. V. Tilson, and lived in Hillsborough years ago.

### A PROPHECY

The Right Honourable Charles Macleod, a member of the Asquith Cabinet, writing in the London Chronicle says:—"One who had a right to prophesy, informed me of the course of the war:—

"A year of conflict.  
"A year of victory."

### HYDRO ELECTRIC LINE

The Hydro Electric surveyors have been working on the proposed line from Hamilton to St. Kirk, via Blackheath and York. They have a line passing through the farms of Daniel Dils, H. Gowland, A. Bain, P. O. Martin, striking the river at Martin's Hill, then down the river on the west side.

### A LEGAL OPINION

The following question and answer appeared in the legal column of the Mail & Empire:—  
The limbs of my neighbor's tree hang over on my lawn, with the result that no grass or flowers will grow under them. Can I legally prune the branches off to the line fence?  
Ans.—The owner of lands has a right to cut off limbs which project over his land from a tree growing on his neighbor's land. The projecting limbs are a "nuisance" and the cutting of them off is justifiable upon that ground. The also constitute a "trespass."

### A UNIQUE NAME

Although many war names have been given to babies since the European struggle commenced, perhaps one of the most peculiar, and at the same

time, most unusual, was the one adopted by Mrs. Helen, wife of Fred Johnson, of Woodville, near the 34th Battalion at London. Taking the first letters of the name of each of the nations of the Allies, viz., France, Russia, England, Belgium and Italy, she has christened her baby girl, "Frebel."

Many women with disfigured complexions never seem to think that they need an occasional cleansing inside as well as outside. Yet neglect of this internal bathing shows itself in spots, and sallow complexions—as well as in dreadful headaches and biliousness. ### The Western Fair

September 10th to 18th.

The Western Fair of London, Ontario, will maintain its reputation this year as being one of the best Live Stock Exhibitions of the Dominion of Canada. Live Stock Exhibitors are always loud in their praises of the treatment they receive at London and the amount of business they do there. Buyers are always plentiful, surrounded as London is by the best agricultural districts of Canada. Although large cash additions have been made to the prize list, for the past three years, this year will surpass them all, when \$3000 will be added to the Live Stock and Poultry Departments. This has been made possible through the generous assistance given by the Dominion Government. The amount has been distributed throughout the different classes and some new classes and sections added, which will be of special interest to the farmers and live stock breeders. The prize lists will soon be ready for distribution. Send to the Secretary, A. M. Hunt, London, Ont., for prize list or any information.
