Advertisement Show Where We Are Welcome

An advertisement is a beckoning hand, a token of invitation, a sign of welcome.

A business serving the public should most certainly advertise—beckon, welcome, and show an eagerness to serve.

The attitude of a business serving the public, yet which does not advertise, is not one of courtesy or appreciation.

A business which uses the expanding factor of advertising is on a fair way to reach its fullest possible potential development.

To The People In And About Jarvis

You will have a better service, not to say better values, if every retailer in Jarvis will advertise his business every week in the Weekly Record.

PARISIAN SAGE
PUTS HAIR ON YOUR HEAD AND KEEPS IT THERE

Look after your hair. PARISIAN SAGE will kill the dandruff germs, and is the only preparation, so far as we know, that is guaranteed to do so. Man or woman, no matter how old you are, PARISIAN SAGE will make you look young. Come in and get a large bottle to-day, it only costs 50 cents, and your money back if it does not cure dandruff, stop falling hair, or itching of the scalp.
