REVELSTOKE and its BEAUTIES

(1) Alfred Lake, Mt. Revelstoke Park, B.C.
(2) Silver Tip Falls, on Eight Mile Creek, eight miles north of Revelstoke.
(3) Revelstoke, B.C., in Summer, Showing Snow-Capped Mt. Begbie.

REVELSTOKE is situated on the Canadian Pacific Railway about half way between Sicamous and Glacier. It is a town of about 4,500 people, having altogether nine hotels, the leading hotel being the "Revelstoke," situated right at the Depot. Revelstoke is most picturesquely situated in the Valley of the Columbia River, and practically surrounded by mountains. Mount Begbie is always an interesting sight, and the Glacier on Mount Begbie can always be seen from Revelstoke. The view is magnificent. There are two trips from this place which are absolutely unique in the whole Canadian Pacific Rockies. One trip is nine miles north of Revelstoke, along the Columbia River to Silver Tip Falls, through the famous Columbia Canyon, which for scenic beauty and thrills is unsurpassed on the American Continent, and the other is up Mount Revelstoke. The Dominion Government is now building an automobile road from Revelstoke to the top of this mountain, and has recently expended \$200,000.00 on this road, which is now ten miles up the mountain. The road sign up the mountain, having an excellent grade, is the most beautiful scenic view.

to go up this road on high gear. Tourists who have made this trip as far as the road is completed, claim that there is no trip on the American continent that can compare with it. Should tourists be desirous, arrangements can be made to have saddle horses awaiting them at the end of the automobile road, so that they can continue to the top of Mount Revelstoke where a most beautiful natural park is situated. In the months of July and August, this park is a most brilliant panorama of color, being covered with the most beautiful of wild flowers, which give the appearance of the whole mountain top being one glorious mass of red, yellow, and green. In the centre of which are Lakes Eva, Miller, and Prospect, the background being the famous Revelstoke glacier. The lakes are about five miles from the end of the automobile road.
