Serious Accident

Mr. S. B. Harrison, our popular G. T. R. agent, met with a serious accident on Wednesday evening of last week while on a trip in the country. His car struck the wheel of a buggy of a young man who was either asleep or refused to give his allowance of the road. Mr. Harrison was thrown from his machine, badly injured his legs and face and breaking his right arm. Mr. and Mrs. Robert Dougherty, found Mr. Harrison on the roadside bleeding quite profusely and promptly assisted him to Dr. Phylar's office for treatment. It is noticeable that many people driving horses neglect or refuse to turn out until the very last moment, which is not unfair, but dangerous, to motorists. An example will be made of some of them if the practice continues. Mr. Harrison is progressing favorably. -Hagersville News.
