Home Garden Contest

It is generally recognized that farmers as a rule do not appreciate the value of a kitchen garden. People living in towns and in usually have their back yards than will be found on the farm. With a view to encouraging the use of the greater variety of vegetables in the farm home and at the same time to introduce more desirable varieties than are generally grown, the Department of Agriculture purposes conducting a Home Garden Contest in this County which the following regulations will cover:—
1. Each garden will be 30x20 feet.
2. Each garden will be 30x20 feet.
3. The following will be grown in each garden, the seed of which will be supplied by the Department free of cost—Strawberries, corn, cabbage, peas, beans, onions, green onions, spinach, radish, lettuce, parsnips, beets, carrots and salinity.
4. A blueprint showing the size of garden and arranging of crops will be supplied to each contestant, also directions as to preparing the land, planting, care, etc.
5. The District Representative will inspect the garden after which prizes will be given as follows—1st prize, \$5.00; 2nd prize, \$3.00; 3rd prize, \$2.00.
This contest should be viewed with favor as there is an opportunity for getting garden supplies at a very small cost and as previously stated all varieties being the best to date.
Entries should be forwarded to the Department of Agriculture, Cayuga, before March 15.
Geo. L. Wertz, District Representative

Sudden Death of Mrs. J. C. Sanderson

The people of Jarvis were painfully shocked early on Thursday last to learn of the sudden death of Rebecca Steele, beloved wife of John C. Sanderson, whose death occurred during the night, the deceased lady being found dead and almost cold when her husband awoke in the morning about seven o'clock.

Mrs. Sanderson, who had been ailing for about ten years, had not been quite as well of recent weeks, but had not called the previous night without her special complaint in regard to her health. The doctor pronounced death due to heart failure, due from other complications.

Rebecca Steele was the youngest daughter of the late Thomas and Rebecca Steele, and was born in the township of Walpole, in the year 1856. She became the second wife of Mr. J. C. Sanderson in the year 1888. She ever proved a loving help mate and faithful partner to our worthy and respected townsman.

Deceased was an active member of the Jarvis Methodist Church and during her entire life, from girlhood took an active part in the Christian life; and work of the church. She was much beloved by all who knew her. To the sorrowing husband and other relatives deep sympathy is expressed on every side in the sudden cutting off of this bright Christian life and noble woman.

The funeral was held on Saturday from her late residence, proceeding to the Methodist Church where an impressive service was held, after which the body was conveyed to the Hagersville cemetery for interment in the family plot. Rev. J. G. Foote officiated; the pall bearers were, Messrs. J. J. Parsons, G. L. Miller, Wm. Shaver, Wm. Parkinson, R. M. Smer and R. A. McCarter.
The Record extends its deepest sympathy to the bereaved relatives.

Farm Labor Supplied

The local office of the Department of Agriculture has just received assurance from the Bureau of Colonization that prospects are bright for supplying the demands of our farmers with a fairly good class of help. Agents of the Bureau of Colonization have been at work in the United States for sometime and report that single inexperienced men can be obtained for approximately \$25 a month on a year contract and approximately \$30 a month for terms of six months. Married men are asking from \$30 to \$360 per annum with free house and garden. There are also inexperienced men and boys at prices ranging from \$10 per month up.
Farmers desirous of procuring labor will do well to get in touch with this office at once and proper forms for application will be supplied.
For further particulars address
J. L. Wertz, Cayuga.

Walpole Fruit Growers.

The Walpole Fruit Growers' Annual meeting will be held at HAGERS HALL, Hagersville, on Wednesday, March 22nd, at 1:30 o'clock, sharp. Business meeting from 1:30 until 3 o'clock.
Mr. W. F. Kydd, of the Fruit Branch, Toronto, will speak on the "Care of an Apple Orchard for Profit" at three o'clock. Mr. Kydd has charge of the experimental orchard work in the province and comes to us with some important information on the control of the insects pests and fungus diseases of the apple.
Be sure to hear his address.—Everybody Welcome.
J. A. Fallis, Pres. Chas. Howard, Sec. Treas.

Annual Convention.

Following the great demonstration in Toronto when the monster Prohibition petition was presented to the Government comes the Annual Prohibition Convention of the Ontario Branch of the Dominion Alliance, March 28 to 30 when in view of present circumstances promises to be the most momentous of any that have preceded it.
Aside from the important question of the action to be taken by the Alliance at this critical juncture there will be many important features of a more than passing interest. Among these are H. I. and Summers, probably the most effective up-to-date campaign novelty in the big prohibition fight in the States in the now celebrated dialogue-debate "Wet vs. Dry" by Hall and Summers. These men have campaigned in a great many States in the Union, and with phenomenal results. "Bryna is eloquent, Roosevelt is blustering, Taft is brainy, Wilson is logical. Then it is known that Franklin was wise, Jefferson diplomatic, and Hamilton brilliant. Mix with that Billy Sunday's enthusiasm, San Jose's brilliancy, and Lincoln's humor and pathos and you have Hall and Summers, the ace of trumps of prohibition."

The Ohio Anti-Saloon League, and commanded the forces in some of their hardest fought battles. He has now charge of that legislative campaign at Washington, where a national prohibition bill is before Congress. Mr. Wheeler is a most forceful and attractive speaker and coming as he does, officially representing that great fighting organization, the Anti-Saloon League, his presence will be an inspiration and help to us in our campaign here.
A feature of the Convention will be a military band of the Queen's Own Rifles, under the leadership of Bandmaster B. H. Barrow. No band in Canada stands higher in military and musical circles than the Queen's Own. A great treat is in store for those who are privileged to be present at this concert.
The programme committee has been particularly fortunate in securing the services of the eminent New York basso, Mr. Fred Butler, whom Dr. Wilbur Chapman describes as "the world's greatest interpreter of sacred music." Mr. Butler was formerly with the Alice Neilson Opera Company but has in recent years given his time to temperance and evangelistic work. Mrs. Butler will assist her talented husband as pianist and the entire conduct of the Convention singing will be under Mr. Butler's direction.
Prof. P. C. Jeffers, who has for several years presided over the grand organ in Massey Hall, will again assist in this way. Prof. Jeffers is in the front rank of Canadian organists, and his mastery handling of the Hall instrument has contributed greatly to the pleasure of the Convention singing.
Every minute of this great Convention programme will be checked full of interesting items. Special railway rates have been arranged.
