Parcels for Prisoners of War in Germany

MUST BE VERY STRONGLY PACKED

The Post Office Department has been notified by the British Post Office that many parcels sent from Canada to Prisoners of War in Germany are being received in London in a damaged condition, so that frequently they have to be repacked before they can be forwarded to Holland for transmission to Germany. The British Post Office adds that in most cases the damage appears to be due to the parcels being inadequately packed by the senders. The public are warned, therefore, that parcels for Prisoners of War unless they arrive in such a condition as to be of little or no use to the recipients. Ordinary thin cardboard boxes, such as shoe boxes, and thin wooden boxes should not be used; nor does a single sheet of ordinary brown paper afford sufficient protection. Even where proper materials are used, it is important that the contents should be tightly packed so as not to shake about during transit. The following forms of packing are recommended:—(1) Strong double cardboard or strawboard boxes. Those made of corrugated cardboard and having lids which completely enclose the sides of the box are most suitable. (2) Tin boxes such as are used for packing biscuits. (3) Strong wooden boxes. (4) Several folds of stout packing paper. The British authorities advise that parcels for Prisoners of War in Germany must not be wrapped in Linen, calico, canvas, or any other textile material. Parcels posted in Canada for Prisoners of War in Germany which have not been adequately packed by the senders will not be forwarded but will be returned to the senders, as the British Post Office has notified the Department that parcels which are inadequately packed must be returned to the senders.

Hit by Express Train

Simcoe, Oct. 22.—Four persons met their death at Delhi yesterday just before noon when the No. 3 Wabash Express, westbound, struck an auto at the Simcoe road crossing, just east of the town. The dead are Mr. and Mrs. Joseph Marr and Mr. and Mrs. E. B. Cahoon, all of Malahide Township. Mrs. Marr died an hour after the accident in the home of Mr. Richard Oakes, near the scene. The others were killed instantly. They had taken dinner just out of the town at the town at the farm house of L. C. McConnell, two or three days ago, and it is conjectured that they were on a cross-country trip and returning. The crossing is not a dangerous one, but the curtain was drawn at the, and as No. 3 does not stop at Delhi it was running at a fair rate. The car was demolished. Dr. Tidale, of Delhi, will have an inquest. The dead were taken to Mr. McPherson's undertaking rooms. The caskets were forwarded to Aylmer for interment.

The Bishop said, he had known Mr. Ross for over 30 years and his record in every parish was a good one.
