### Memorial Service

A memorial service in honor of Pte. Wm. E. Brown was held at the St. John's Church, Chesham, on August 27th, 1916.

A large number of friends and acquaintances met together to pay their respects to one who had so freely and gallantly given his life for his King and Country.

Pte. Brown enlisted at Cayuga in Feb. 1915, with the old 37th boys, going to camp at Niagara on the morning of May 25th. He sailed for England about the middle of August and reached the trenches about the 10th of October. Many were the trying circumstances he encountered but above it all he still maintained his usual chery disposition. He passed unhurt through the battle of St. Eloi but lost three thumbs, one killed in action, one died of wounds, the third is still in England, having not quite recovered from the wounds received.

Pte. Brown was killed in action on June 2nd during the "severe bombardment" in and around the Ypres salient. He leaves two brothers to mourn his loss, Bernard with the British forces and Harold in Minnesota. A monument will be erected by his friends in the St. John's Cemetery in the near future. Those directly concerned in the part of the memorial are very grateful for the assistance given in raising the necessary funds.—Advocate.

### Drainage Demonstration

The question of underdrainage is one that is of considerable importance to the farmers of Haldimand, especially as they are mostly in clay land. That the farmers are interested in this department of their work, was evidenced by the large turnout to the demonstration on the farm of Mr. George Hooper, Springvale, on Friday afternoon last.

Mr. Hooper has a large farm well kept, and looking as good as the most farms in the vicinity. But he has a field that has considerable water in it, and he saw the necessity for drainage.

A firm of American manufacturers had a traction ditcher, which had been sold but turned back on their hands for lack of funds by the purchaser. The machine had been left outside but had been cleaned up and put in running order and they were anxious to find a purchaser.

This happy combination gave Mr. Woltz the opportunity of demonstrating the value of the traction ditcher in the work of the farm, and the value of drainage.

Many farmers saw the ditcher at work on the farm of Mr. Bunn, east of the town, a couple of years ago, when its value was demonstrated there but to the hundred farmers who were out on Friday to see the working of this machine, its workmanship and work proved astonishing, demonstrating the saving in time and money and physical strength.

So pleased were some of them that they decided to buy the machine to do their work on the farms. It may not be known, but the town's council can issue debentures to aid underdrainage, and money can be borrowed in lots of \$2000 or over for this purpose, and the council cannot refuse to lend the money.

Mr. Woltz, District Representative, gave an interesting talk on the subject of underdrainage, showing its advantages, and telling of the success of this work on the farm of Mr. Bunn. He described the various methods of laying the levels, etc., and offered to make a survey free of cost to any farmer who desired to put in a system. He pointed out the method of laying the tile, where they should be laid, the lateral connections, and how to make them, and the protection of the tile when laid.

Some interesting questions were asked that showed the farmers were considering the matter and brought out new ideas on the subject.

The afternoon was profitably spent by the large number of farmers present.—Advocate.

### Mr. John McMillan

Mr. J. McMillan, who has initiated many notable improvements since he became General Manager of the C.P.R. Telegraphs eighteen months ago, has just decided to inaugurate an important service entirely new to Canada over the hundred and ten thousand miles of wire under his immediate control, namely, the day letter which may now be sent between points in Canada on the Canadian Pacific system at a rate very much reduced as compared with the usual commercial rush telegram. Mr. McMillan is convinced that many of those who would be quite satisfied if these arrived on the same day, where as a proportion of the cost of the rush telegram is due to the cost of speedy delivery. The day letter of fifty words will be rated at one and a half times the cost of a regular rush message of ten words and can still bring an answer the same day, which is as quick as many people desire. There are sixteen hundred C.P.R. telegraph offices throughout Canada, at each of which the new service will be in force, so that this will be a Dominion-wide service stretching from Louisburg, Nova Scotia, to Victoria, B.C. Messages will be taken in either French or English, code words not being permissible.

Mr. John McMillan owes his success to a genial and tactful disposition which made him one of the most popular C.P.R. officials in the West, where his work centred until he was called to the head office in Montreal last year. Although less than fifty years of age, he joined the C.P.R. at its inception, working on construction in 1883. After acting for a number of years as operator at Donald, B.C., he became Inspector of Telegraphs at Winnipeg in 1902, Assistant Superintendent in 1904, Superintendent at Calgary in 1907, General Superintendent at Winnipeg in 1913, and finally Manager of the whole telegraph system in March, 1915.

## The Popular Laurentians

(1) Lac Marois, Shawbridge. (2) Mixed Bathing. (3) Quiet Fishing Pool Near Val Morin.

LOVERS of beautiful mountain and valley scenery towering rocks, thick forests, pleasant glades, flower-clad vales and plains, rushing and placid rivers, roaring waterfalls and babbling streams could not do better than to select the Laurentian Mountains reached by the Canadian Pacific, as their holiday resort. So prettily situated are all the spots where the holiday-makers make their headquarters that it is embarrassing to choose the one that might be best suited to the taste of the individual. But all are enchanting, from Shawbridge—the first of them—to Mount Laurier—the last. Within easy reach of any of the resorts there is excellent trout and bass fishing to be had. The rivers and lakes are clear and sand-bottomed generally, and are well suited to the requirements of the swimmer and bather. Row boating, motor boating, and canoeing are favorite pastimes, and on a fine calm evening it is exhilarating to sit by the waters and listen to the laughter and merry chat of the parties who are on the waters.

Golfing can be had at Ste Agathe, Ste Margaret and Val Morin. Tennis courts are attached to some of the better class hotels. Those who love mountain climbing can have a variety of spheres for this form of activity to select from and the expense of a holiday in the Laurentians is comparatively small.

## Bread Making Contests At Rural School Fairs

PRIZES—Free Courses at Macdonald Institute, Guelph  
Free Poultry Raising Courses at Ontario Agricultural College  
Free Cook Books and Magazines

Over 1,500 prizes in all will be offered in bread-making contests which will be held this fall at over 250 rural school fairs taking place in Ontario. It will be a great event at the fairs and will stimulate interest in bread-making among young girls between the ages of 12 and 17 years.

Here is a wonderful opportunity for your daughter to win for herself a Free Course in Domestic Science at the famous Macdonald Institute, Guelph. All she has to do is to bake one double loaf of bread and enter it in the contest at the fair according to the conditions explained below and more fully told in the folder we will send you on request. The loaf must be baked with

## Cream of the West Flour

the hard wheat flour guaranteed for bread.

This is a splendid flour which makes the biggest, bulging loaves—whitest, lightest and most wholesome bread you ever baked. Is this not a splendid opportunity to interest your daughters in breadmaking?

Here are the Splendid Prizes offered for the best loaf of bread baked with Cream of the West Flour. The following are offered at each local fair:

1st Prize—1 paid-up subscription to "My Magazine" for 1 year. This magazine is full from cover to cover every month with articles suitable for young people of all ages. It is published in England. Value \$2.50 per year.

2nd Prize—6 months paid-up subscription to "My Magazine." Value \$1.25.

Extra Prizes—When entries exceed ten a 3rd prize will be awarded of 6 mos. paid-up subscription to "My Magazine." When the number of entries exceeds twenty the judges at the fair will award 4th, 5th, and 6th prizes of one year's paid-up subscription to "The Little Paper." This is a wonderful little publication issued every month in England. Its eight pages are packed with highly engaging information and stories relating to history, nature-study, animals, bird-life, etc.

Important—The winners of 1st prizes at the fairs automatically become competitors for the Provincial Prizes. The second half of the double loaf is sent to Ontario Agricultural College, Guelph, by the district representative in special container provided. The judging is done by Miss M. A. Purdy of the Department of Breadmaking and Flour Testing at the College.

Provincial Prizes—The winners of first prize at each local fair compete for following Provincial prizes. The first and second prizes, or third and fourth prizes, will not be awarded in any one county.

1st Prize—Short Course (3 months) in Domestic Science at Macdonald Institute, Guelph. The Macdonald Institute does not accept students under the age of 17 years. If the winner be less than 17 we present her with a certificate entitling her to take the course when she reaches the right age. Value of course \$10.00, which pays for fees, room, board and washing. The winner lives at Macdonald Hall while taking course.

2nd Prize—Short Course (3 months) in Domestic Science at Macdonald Institute, Guelph.

3rd Prize—Short Course (4 weeks) in Poultry Raising at Ontario Agricultural College, Guelph. Girls taking this course do not live at the College, but good boarding houses will be secured for them in Guelph. Value of course \$35.00, which pays board of student in Guelph. (No fees are charged for course.)

4th Prize—Short Course (4 weeks) in Poultry Raising at Ontario Agricultural College.

5th to 20th Prizes—The Famous Boston Cooking-school Cook Book by Fannie Merritt Farmer, latest edition (1914). There are 217 thoroughly tested recipes and 130 photographic reproductions of dishes, etc., besides much special information.

### Conditions of the Contest

Every girl may compete at the rural school fair in her district, whether or not she attends school, providing that her 12th birthday occurs before November 1st, 1916, or her 17th birthday does not occur before Nov. 1, 1916. One loaf of bread must be submitted baked in pan about 7 x 5 inches and 3 inches deep, and divided into two loaves so that they may be separated at the fair. The loaf must be baked with Cream of the West Flour. One half will be judged at the fair. The other half first prize loaf will be sent to Ontario Agricultural College, Guelph, to compete in the Provincial Contest. The local contest at the fair will be conducted under the same rules as all the other regular contests at your fair.

The standard by which bread will be judged will be as follows:

- |                            |          |
