Death of Well Known Merchant

Universal regret has been given expression to over the untimely death of Mr. Albert A. Culver, clothing merchant, Norfolk Street, Simcoe. This sad occurrence took place in the early hours of Saturday last, after an illness of some eight or ten days' duration. Mr. Culver was first attacked by inflammatory rheumatism. This finally yielded to medical treatment, but was followed first by peritonitis, then by pneumonia. Though naturally of a powerful powerful physique, the accumulation of these attacks so impaired Mr. Culver's vitality that he was unable to rally and a fatal termination came to the struggle, as stated above, on Saturday. Mr. Culver was in his 48th year and had been in business here nearly twenty years.

Two brothers, James of Detroit and Charles H., of Cherry Valley, Ill., were here for the funeral. A sister, Mrs. Helene, lives in New Mexico. Mrs. Samuel L. King, of Simcoe, is another sister. A widow and two children survive.

The funeral took place to Oakwood Cemetery on Monday afternoon and was largely attended considering the inclement weather. The services at the home were in charge of Simcoe Lodge, No. 16, O.O.F., and at the grave No. 19, A. F. & A. M. took charge. Mr. Harry Johnson, Noble Grand of the Oddfellows and Worshipful Master of the Masons officiated in each service. Rev. J. A. M. Bain was the clergyman. The stores were closed for a couple of hours as a mark of respect to the deceased, who was a very general favorite. —Reformer.

Looking Up Gypsum Deposits

Mr. C. E. Williams, of Toronto, is in town at present looking into the gypsum prospects in this vicinity. Mr. Williams has been in charge of the Lythmore plant until the mines were closed at York and the plant shut down. He is here on an investigation to see if it is possible to secure a good mine in paying quantities near the railroad but away from the river and he is busy making tests with that object in view. The company has had difficulty with the water when mining close to the river and they want to get a good location. We understand that Mr. Williams has also options on property near Hagersville where there are prospects of a good supply. He has located at least one good mine here where the deposit is close to the surface. —Haldimand Advertiser.
