American Red Cross Mission To Russia

American Red Cross Mission on the "Empress of Asia" en route to Russia. Dr. Frank Billings on left.

A DISTINGUISHED party of
physicians, surgeons, bacteri-
ologists, professors of food
chemistry, sanitation experts and
dentists, making up the first unit of
the United States Red Cross mission
to Russia, numbering twenty-nine in
all, are en route for the other day on
the "Empress of Asia," en route to
the eastern front.

Lieut. Col. Frank Billings, profes-
sor of medicine in the University of
Chicago, is in charge of the party
and is taking to Russia over \$100,000
worth of medical supplies, surgical
instruments, dressings, water steril-
izers and other necessary articles,
including vaccine for the prevention
of typhoid, smallpox, cholera, diphe-
theria, bubonic plague, meningitis
and other diseases. A heavy task
lies before them in Russia, and they
are going abundantly prepared to go
immediately to work.

The mission is being sent out by
the United States Government, and
the United States Red Cross Society
will see that they are kept fully sup-
plied in order to meet all demands
for alleviating the suffering among
the Russian soldiers and people. The
move has been gratefully welcomed
by the present Russian Government
as an expression of the friendship of
the people of the United States for
Russia.

During the past month the United
States Red Cross has raised over
\$125,000, and, while the work has
been already begun in France, Italy,
Serbia and Belgium, the present is
but the first of similar units to be
sent to Russia. The present party
will report on Russia's needs and upon this report the
United States Red Cross headquar-
ters will decide the equipment and
numbers of subsequent units. Steps
are now being taken to get together
complete equipment, even to motor
ambulances.

Col. Billings and the other mem-
bers of the mission are a sturdy and
affable lot of men and are fitted out in
uniforms very similar to those worn
by the British. The colonel is ex-
ceedingly proud of his organization
and the promptitude with which it
was effected.

"Every man who was approached
to go on this mission, Winslow of
Yale and Whipple of Harvard, and
all the others, at once offered their
services," said Col. Billings. "They
dropped their work right there and
got ready in four days, leaving their
families behind them to undertake
this work, which is going to be of
such tremendous importance to the
Russian nation and to the military
in particular.

"These men are leaders in their
professions and are the heads of the

PUTS HAIR ON YOUR HEAD

AND KEEPS IT THERE

What's the use of being bald? What
sense is there in deliberately allowing
your hair to turn gray?

Do you want to look old before your
time? Give up the thought; old age
will come only too soon.

Look after your hair. PARISIAN
SAGE will kill the dandruff germs, and
is the only preparation, so far as we
know, that is guaranteed to do so.

Man or woman, no matter how old
you are, PARISIAN SAGE will make
you look young.

Come in and get a large bottle to-day,
it only costs 50 cents, and your money
back if it does not cure dandruff, stop
falling hair, or itching of the scalp. It
will make your hair luxuriant, bright and
beautiful, and it is the most refreshing,
pleasant and invigorating hair dressing
made.
