# SUPPORT UNION GOVERNMENT

The People Must Unite to

## Win the War

A Laurier-Bourassa Victory means deserting our boys in the trenches for over a year, throwing up our hands and quitting! Don't shout "Kamerad" under the Referendum proposal. Come out and fight for Union Government.

## Make No Mistake

IF LAURIER WINS:

(1) Canada will send no more reinforcements to the front, which practically means quitting the war and placing the country in the same class as Russia.

(2) The French-Canadians who have shirked their duty in this war will be the dominating force in the Government of the country.

ARE THE ENGLISH-SPEAKING PEOPLE PREPARED TO STAND FOR THAT?

It is because the French-Canadians have not done their duty that Conscription had to be resorted to.

The French-Canadians have made it perfectly clear that they do not like the war and are against Canada participating in it further. Some of them even go to the length of saying that the soldiers should be brought back from the front.

The Nationalists are demanding that the men who have been enrolled under the Military Service Act be disbanded and sent back to their homes. To secure the Nationalist support Laurier-Liberal candidates in Quebec have signed the following pledge:--

"I, the undersigned, candidate in the Federal Elections, undertake by these presents, if I am elected, to demand the immediate suspension of the Military Service Act, 1917, and of all its effects until Canadian electors have pronounced, by way of plebiscite, and should the majority of the electors condemn it, that it be considered as null from its origin and that as consequence all conscripts be disbanded."  
"I also undertake to vote against any Government which should refuse to adopt the above enunciated policy."
