## SAVED FROM AN UNTIMELY GRAVE

Seldom has a more tragic tale been told than that of this young woman, whose parents, brothers and sisters have all died of consumption, leaving her alone to make a living as best she could.

Never robust, hard work and worry soon undermined her health, when she, too, became a victim of this dreaded disease. Shunned by friends who feared contagion, without funds, for she had been unable to save from her small earnings, she seemed doomed, like the others of her family, to an untimely grave. Fortunately, she was discovered and sent to the Muskoka Free Hospital, before it was too late, where she is now doing well, with every chance of ultimate recovery.

Appeals are now being made for the Muskoka Free Hospital for Consumption, to enable it to continue the great work of caring for just such cases as this. No matter how small the gift, it will be welcome.

Contributions may be sent to W. J. Gage, Chairman, 84 Spadina Avenue, Toronto, or to Geo. A. Reid, Secretary, Treasurer, Gage Institute, Toronto.
