her pupil in the Busy Bee and primary department, and, on behalf of the primary department presented her with a bouquet of roses.

"We should be proud in the First Methodist Sunday school not only of Miss Ivey and the other girls who have gone for service overseas," she said, "but also of the many boys from our school whose names are on our honor roll. They have gone far, far away, to fight for us, but they are near to God. He is never far from any one of them."

Superintendent W. N. Manning presided, Rev. Dr. Flanders offering the opening prayer.

The foregoing report was taken from a recent issue of the London Daily Advertiser. Miss Ivey, who is a daughter of Mr. Chas. Ivey of London and a niece of Mrs. Bryce Allen of this place, will be known to many of our readers. Miss Ivey recently returned to her duties in France.

### Cables for Members of Canadian Expeditionary Force in France

The Department of Militia and Defence reports that considerable delay and confusion frequently results through improperly addressing in care of War Office London, cable messages intended for officers and men serving with the Canadian Expeditionary Force in France. No arrangements exist for the forwarding of such messages from London by telegraph, and it is therefore necessary in all such cases to send them on by post.

All cable messages intended for members of the Canadian Expeditionary Force in France may (like telegrams for others) be sent from Canada addressed directly to France, the addresses of such messages, in addition to stating regimental number, name, unit, etc., to bear the words "Canadians, France." These messages, however, even if paid for at full rates, are not necessarily forwarded by telegraph in the final stages of their stages to France, and may be subject to some delay.

The foregoing does not apply to messages which may be sent at the special non-minimum Week-end Letter rate to soldiers, sailors and nurses serving with the Canadian Expeditionary Force in France. Such messages, which should be fully addressed in all cases, are forwarded by post from England by the telegraph Company, and should, therefore, be directed in care of the War Office, London.
