Letter from Eric Geere

To Mrs. G. A. Irwin, March 19, 1917.
Jarvis, Ont.

Dear Mrs. Irwin:
Received your most welcome letter and was very glad to hear from you.

I also received one from Mel Williams and of course I was glad to hear from him. See I must apologise for sending that hamper which you call them. Bert Williamson was telling me that he was not getting any mail. Oh, it is awful when you don't get any mail out here. I do not know what I would do if I did not get any.

We received a pair of socks each from the Haldimand Sock League, which just came in time as I was in need of them and they are sending us two pair a month from now on so that is not too bad.

Jack Stengele about two weeks ago, was in the machine gun company. I also saw Len Goodill and Bert Long. Len is a captain in the 20th Batt. transport.

There is not much to tell you about our voyage. We had a good trip except for two days when it stormed. Then I certainly had a good time when I went on shore. I went up to London and met my sister and she took me around. I went to the home of Mr. Abraham's relations, the Whites, maybe you have heard them talk about them. I had a dandy time there. My sister took me to St. Paul's Cathedral and Westminster Abbey. They were certainly worth going to.

I came over here two days before Xmas. I do not like this country as well as Canada and yet they have the nerve to call it sunny France. No am not in the signal line. I threw it up to come over here, they were going to send me to school but I wanted to get over here. Yes, I did get the parcel sent by the Excelsior club and was very glad to get it. Anything like that is very much appreciated by any of us over here. I wrote a letter to Violet Schuyler and thanked her. What does Mr. Irwin think about the war now. I used to like to hear him talk, it was certainly interesting to hear him. I received a dollar bill from the Women's Institute last night and was certainly glad to get it. Well I can't possibly think of any more news so I will have to close hoping you are well with best regards to Mr. Irwin and yourself. I remain

Years very sincerely
ERIC F. B. GEERE

Letter of Condolence

The following letter was received by Mr. and Mrs. Thos. Harrop, of Harnet, from an officer regarding the death of their son, Charles, who died of wounds received in action.

Dear Sir:
I take this opportunity of writing you a few lines to try and express my feelings and also the boys of the Battalion wish me to try and tell you how sorry we all were to hear of the death of your son, Bndr. Charlie Harrop. He was wounded in action by a hostile shell on the 2nd of May and he died in the hospital the following day of wounds. As many as possible of the boys attended his funeral and we, his pals, will look after his grave while we are in this vicinity and we will also erect a Cross to his memory. You, Sir, have a son to be proud of. He was liked by everybody whom he came in contact with and anything he could do at any time to help anybody, who was in trouble, he was the first to do it. Although he has only been with us a short time I think I can truthfully say he was one of the most popular men in our Batt., and I can assure you we feel his loss very much.

He was always the first to volunteer his services to help get in wounded under shell fire and many can thank him for being alive to-day. You must please excuse the rough and ready way I have of trying to tell you how very sorry we were to lose him. My address, No. 301008, Sgt. Maj. A. G. Bowler, 22nd Batt., Can. Div., Artillery, B. E. F., France. If there is any information I can give you or anything at all I can do for you I would consider it an honor to do it for the father and mother of such a brave boy. All his private kit will be sent to you in due course and you will also be notified by the authorities where he is buried. Now I must close hoping you will look on it that he died doing his duty, what more could a man ask. Hoping to have a line from you soon, I remain

Yours very sincerely
A. G. Bowler.

A farm tractor is on the way to Haldimand County, having been shipped on Tuesday. The tractor was ordered by the Provincial Department of Agriculture from the Canadian Rameley Co. With the tractor will come a three furrow Cookshott plow and a disc harrow.

The County Department has been requested to get a tractor by farmers who have an aggregate 400 acres to plow.

The farmer will pay 35 cents per hour while the machine is in operation. Besides this he pays for the coal oil, lubricating oil and board for the operator while he is there. The tractor would plow from six to eight acres a day and would cost about a dollar add acre. A man and a team are worth \$5.00 a day and the tractor will do about four days work in one, so that the farmer who can hire out his horse stands to make some money.

There are about 100 acres signed up around Dunnville, 75 near Caledonia, 125 near Jarvis and the balance in various sections. The first work may be done in the Fisherville neighborhood.—Haldimand Advocate.
