Walpole Boys Successful

Of the long list of Walpole boys who have achieved fame and distinction, none have attained greater, and few have attained as great a success as the three Furlong boys, William, Francis and Bernard, sons of Moses Furlong, well and most favorably known throughout the township Their father is the eldest son of the Furlong pioneers, at one time the wealthiest and leading family in the district, his father, Wm. Furlong, being the most highly respected as well as the leading land-owner in Walpole. The boys' mother, now resident in Hamilton, is still well remembered in the township, as the "the fairest bride that e'er the sun shone on" in that district,

These these boys have, althoug scarcely more than youths, already made names for themselves in the great outside world. They were all born on what is known as the fourth concession road just a short distance below Hodge's corner, and each received his early education in the little old back-woods school called Saunder's shool-house (another triumph for the country school.) Coming to Hamilton about 19 years ago the boys continued their educational training in St. Mary's Cathedral school, later attending the Hamilton Collegiate Institute and St. Michael's college in Toronto.

William H. Furlong, eldest of the three, graduated from Osgoode Hall and was called to the bar as a full fledged barrister over two years ago. He hung out his shingle in Windsor, where he already has established a large and flourishing legal business business. He also officiates as the crown attorney of Leamington, where he has another office with a junior partner looking after his interests His most recent success which has gained him much renown in legal circles throughout the provin e, was his successful defense of three Russians accused of the serious crime of sedition and treason in Ford city. After a strenuous fight the young barrister succeeded in having his three cleints liberated.

Dr. Francis J. Furlong, the next eldest brother, is now one of Hamilton's leading and most successful dentists with an office on South James street over the Imperial Bank. Although he began practising only last spring, he already has secured a large clintele. Dr. Furlong accomplished the rare feat of passing his matriculation after only one year's attendance at the Collegiate Institute. He graduated from the Ontario College of Dentistry last spring.

An honor, absolutely unprecedented in the history of law in the province, has been won by Bernard Furlong, the youngest brother. Recently he pleaded a case in high court before Chief Justice Lachford, something which no law student had ever been allowed to do before, and at the conclusion of his argument he was complimented by the judge This bright young student is now in his third year at Osgoode Hall. Last year he passed his examinations with honors. He served his term of indenture in the office of M. J. Reilly, K. C, Hamilton's leading criminal lawyer, who has paid him tribute of being one of the cleverest students ever employed in his office.

That these three boys, widly and favorably known for their gentality as well as ability, are exceptions to the rule that whosoever gains fame does so at the expense of popularity is proven by the fact that their wide circle of friends, acquaintances and admirers have endowed with nick-names. To their friends they are affectionately known as "Bill", "France" and "Bern" or "Barney."

Sandusk

The Sandusk Women's Institute met at the home of Mrs. J. W. Bush on Ssturday afternoon, Nov. 3rd. The members were nearly all present and packed Xmas boxes for the boys overseas. Ten boxes in all being pkcked. A pair of socks was packed in each box besides a number of socks were sent to Capt. R. M. Henning of France to give to any of his men who were in need of socks. Owing to the box packing there was no program. The meeting closed in the usual manner.

The shower which was held for the soldiers comforts at the home of Mrs. J. W. Bush on Wednesday evening last was a decided success. About forty five friends and neighbors being present and besides the articles for packing the boxes over ten dollars in cash was given.
