

The Canadian Farmer's Real Friend

YOUR letters will be answered, you will get the exact information you need, you will get the advice and assistance you desire free, provided by experts to whom we pay real money for the answer we send you, if you become a subscriber to FARMER'S MAGAZINE. This magazine is for—

The Men on the Farm

Helps them plan and tells them how to construct barns, stables, sheep barns, hen houses, silos, and dwelling.

Tells them about septic tanks, hydraulic rams, water supply and lighting systems, power farming.

Gives advice and information about feeding and breeding and the health of animals; about the business side of farming, co-operative methods, investments and insurance.

For all it provides stories, special articles on timely subjects by experts—not amateurs or experimenters; and latest and most accurate information on every matter of concern to farmers.

Farmer's Magazine

has three times as many regular departments as are ordinarily found in farm papers, and is about the most satisfying paper you can get at any price. Subscription \$1.00 per year.

EVERY issue of FARMER'S MAGAZINE is worth a dollar bill, because it is downright helpful in practical ways. The free advice and information it supplies on request by private letter—may be worth many dollars. Have the FARMER'S MAGAZINE in your home as you would a hammer or a saw—an ever-ready and indispensable help. Have it for its friendship.

The PRICE is One Dollar per year. Bid us send it to you, and remit for it when we send you the bill. Address the publishers:—
