Renton

The farmers all stopped plowing together this Fall, but the most of us are not finished.

Mr. James Schiltz of Detroit was renewing friends around Renton the fore part of the week.

Mr. R. Yeager sold a horse for a good price last week.

Mr. and Mrs. Geo. Duncan, Mr. and Mrs. R. Yeager spent one day recently with Mr. and Mrs. H. Ledham at Forestville.

Mr. John Rountree and daughter Allison of Nelles Corners spent Saturday last with Mr. D. Secord.

Mr. and Mrs. Ezra Burch were visiting with Mr. Q. Mitchell on Sunday last.

Miss Mary Secord has returned home after several weeks stay at Nelles Corners.

The young folks in our burg began their skating for the season on Monday evening last. "Harrah boys and girls for a good time."

Following is a letter from Pte. Walter E. Secord of Giessen Camp, Germany.

Oct. 8, 1917. Your two last letters to hand and I was as usual very glad to get them. I was very, very sorry to hear of grandma's death. I should certainly have liked to have seen her again. However, as she seemed to have suffered so severely it is far better as it is. Got a letter from Martha and I will answer soon as possible. Arthur must be quite a young husky by your account. Can he box? I guess Geo. is enjoying himself. How much does he weigh now? I am very fat myself, weighing 155 pounds, believe me it is. The weather is turning cold here. I suppose by you also. Well send me some local news soon. Yours,

WALTER.

New Winnipeg Trains

Travel between Eastern and Western Canada is always heavy in the winter months, particularly during December with its holiday season. To meet the requirements of the public, therefore, a special service daily between Toronto and Winnipeg is announced by the Canadian Northern Railway: Westbound, Dec 3rd to Jan 2nd, 1918 only; Eastbound, Dec 1st to Jan 3rd 1918 only. Thereafter regular tri-weekly service will be resumed. A through Tourist Sleeping Car will also be operated daily between Toronto and Calgary as part of the above special service, and connection will be made with regular daily trains between Winnipeg and Edmonton. Service between Toronto and Vancouver will remain tri-weekly, leaving Toronto Mondays, Wednesdays, and Fridays, as at present.

Parcelsto Prisoners of War

In co-ordination with the new scheme instituted by the British Government all parcels from Canada to Officer Prisoners of War interned in Germany or Austria-Hungary containing foodstuffs, on and after January 1st, 1918, can only be accepted for onward transmission by the Postal Service if they bear a "coupon" issued by the Prisoners of War Department, Canadian Red Cross Society, London, England.

The new arrangement the amount of foodstuffs which may be sent to an Officer Prisoner of War during four weeks must not exceed one hundred pounds. Of this total the Prisoner of War Department of the Canadian Red Cross will send to each interned Canadian Officer including those attached to other Canadian units not less than six ten pound parcels each four weeks. The remaining forty pounds of foodstuffs per four weeks may be sent personally by relatives in Canada, but each parcel must bear a coupon which can be obtained on application from the Prisoners of War Department, Canadian Red Cross Society, London, England.

The right to send food parcels to an Officer Prisoner of War rests with the next of kin, but may be transferred by the latter or by the Prisoner of War himself to any person. It is advisable that application should be made to the Prisoner of War Department, Canadian Red Cross Society, London, England, for the necessary coupons for parcels packed personally at the earliest possible moment.

These coupons are to be used on food parcels only and no coupons can be issued for amounts under ten pounds. If, therefore, it is desired to despatch a parcel weighing less than ten pounds an ordinary coupon must be used and the parcel counts as one of the four permissible in four weeks.

Articles may not be sent to any Society for enclosure in any parcel despatched under the Red Cross label. The importance of guarding against any misuse of the label cannot be too strongly emphasized. Such action would not only harm the Prisoner to whom the parcel was addressed but would react on other Prisoners and might endanger the whole system of despatching the food supplies to Officers and men who have fallen into the hands of the enemy.

Parcels for Officers interned in Bulgaria and Turkey come under the new scheme. Owing, however, to the difficulties of postal communication, it is not advisable to send many parcels to officers in Turkish camps. Supplies can be purchased in Asia Minor and it is better to remit money to the Prisoner rather than send many parcels.

This new scheme relates only to parcels containing foodstuffs for Officer Prisoners of War interned in enemy countries and does not affect in any way the present regulations governing the transmission of parcels to Prisoners of War other than Officers, which regulations remain unchanged.

The needs of Officer Prisoners of War holding commissions in the Imperial Army are looked after by the Central Prisoners of War Committee, 4 Thurlow Place, London, S. W., England. This Committee will supply the necessary coupons to the next of kin of these Officers for parcels addressed to them which are packed personally.

A Day of Thanks

The King has addressed a letter to my people appointing Sunday, Jan. 6th, as "a special day of prayer and thanksgiving in all the churches throughout all my Dominions." The King says: "The world-wide struggle for the triumph of right and liberty is entering upon its last and most difficult phase. The enemy is striving by desperate assault and subterfuge to perpetuate the wrongs already committed and to stem the tide of a free civilization. We have yet to complete the great task to which more than three years ago we dedicated ourselves.

At such a time I would call upon you to devote a special day to prayer, that we may have the clear-sightedness and strength necessary to the victory of our cause."
