Mix Up

An accident occurred on Wednesday night last on the stage road that might have had more serious results than it did. Robert Walker was driving home with his sister, when Chas. Oxley, his neighbor, in his auto, tried to pass him. Oxley's auto did not turn out quick enough. When Oxley saw that he was likely to strike the buggy he put on the brakes, but too late to save a smash. Both wheels of the buggy were taken off and the occupants spilled. Mr. Walker lost a couple of teeth while his sister received several bruises. The auto was turned completely over, but both occupant and car were lucky. The front axle of the car was bent and the frame of the wind shield bent aside from that no damage was done.—Cayuga Advocate.
