HYMENEAL
CRUISE WALKER
The home of Mr. and Mrs. Edwin Walker, Port Dover, was the scene of a very pretty event on Wednesday, Oct. 10 when their daughter, Annie Gertrude, was united in marriage to Mr. William Cruise, son of Mr. George Cruise of Woodhouse.

The bride was escorted to the marriage altar by her father while Mrs. Frank Walker of Hamilton played Mendelssohn's wedding march.

The ceremony was performed under a beautiful arch of Autumn leaves by Rev. Henry Brand, pastor of the Port Dover Methodist church, in the presence of the immediate relatives of the two families and a few intimate friends.

The bride was handsomely gowned in a crepe de chene with taffeta trimming and carried a bouquet of sunset roses.

After signing the register the happy party returned to the dining-room, which was tastefully decorated in pink and white, and sat down to a dainty spread, after which the Rev. Henry Brand in a neat congratulatory speech proposed a toast to the bride and groom which was neatly replied to by the groom. The guests then adjourned and were photographed.

About 4:30 o'clock in the afternoon the young couple left, amid the usual shower of confetti, old boots, etc., to catch a M.C.R. train West. They will spend ten days in Indiana and upon their return will reside in Woodhouse.

The going away attire of the bride was a suit of Navy Blue with a black picture hat. Her gift from the groom was a beautiful pearl pendant. The organist received a pearl necklace.

That these young people are very popular in the community is proven by the many good wishes and handsome gifts bestowed upon them.

A large number attended the Memorial Service last Sunday, which was held in honour of the late Sapper Lewis H. Sims. The church was draped in black, and decorated with flags. Rev. Mr. Brand gave a splendid sermon using as his text, "Jesus Wept." He also spoke very pathetically of the brave hero who had fallen in the ranks while fighting for his country.

Mr. and Mrs. Hugh Saunders celebrated the fiftieth anniversary of their marriage last Monday, when the children gathered home to celebrate their "Golden Wedding Day." Their many friends sent them a shower of cards of congratulations. It is the wish of their friends that God's richest blessings may rest upon them to the end of their life.

S. S. Institute
The Methodist S. S. Institute of the East Simcoe District was held in the Methodist church, Jarvis, on Tuesday of this week and was most successful from every standpoint.

The inspirational and practical nature of the addresses delivered by a number of ministers from neighboring circuits were of intense interest. The sessions were interspersed with excellent music. The ladies of the church served dainty meals in the school rooms of the church to the visiting delegates who were present from, Nanticoke, Mt. Zion, Hagersville, Cayuga, Dunnville, Rockford, Simcoe, Garnet Springs and Port Dover.

Wabash Railway May Buy the Air Line
St. Thomas, Oct. 14.—It is asserted in railway circles here that the Wabash Railway Co. will shortly open negotiations for the purchase of the Air Line Division of the Grand Trunk Railway in southwestern Ontario now used by it. The line extends from Glencoe, where it leaves the Grand Trunk's double track main line to Niagara Falls and Bridgeburg.

Under the present lease, which is supposed to be favorable to the Grand Trunk Company, and which expires March 31, 1919, the Wabash pays a rental of some \$325,000 a year. In addition it pays on a wheelage basis what amounts to about seventy per cent. of the salaries of the joint station and freight agents and other officials required in joint operation of the line. This amounts to \$100,000 a month, or approximately \$1,200,000 a year. The Wabash has also a payroll of \$30,000 monthly, for its own officials and train crews. These figures go to show that what may be called the rental charges paid by the Wabash amount to more than a million and a half dollars a year.

The Grand Trunk in the past few years has given over the use of the Air Line almost entirely to the Wabash. It operates only a few local passenger and freight trains over the line. It is very doubtful if the lease under the present terms will be renewed. There is also talk of the Wabash quitting the Canadian field and running to Buffalo over the Nickel Plate, but it would not be served so well as at present.

Rain Spoiled it.
Rainy weather last Friday, as was also the case last year, was the cause of making Caledonia Fair a failure financially, and, incidentally, of saddling the directors, both years, with a debt of \$2000, the cost of preparation. Though fine weather marked the opening day on Thursday, and prospects were good for the success of this popular fair, so disagreeable was Friday's weather, that no more than 200 admissions were received, instead of the huge crowds, numbering anywhere between 10,000 to 15,000, usually in attendance. A special prize list was a feature arranged for the last day's events, and no efforts had been spared by the directors to make the fair an enjoyable and successful one. The prize list for racing surpassed anything before attempted, and the entries in the various events numbered 4,000. Owing to the muddy condition of the track, the trotting events did not take place, the spectators being much disappointed at not being able to witness the performances of six specially good trotting horses.

A fine display of exhibits from the schools, also art, home cookery, etc., was shown in the drill shed, and attracted considerable attention. Splendid exhibits in the buildings including dairy products, vegetables and grain.

Sandusk
A number from here attended the Simcoe Fair last Wednesday.

Misses Fern and Mabel Atkinson were visitors of Miss Frances Nicholl last Thursday afternoon.

Mrs. John Walker and Mrs. Thomas Westery were delegates to the Sack League at Cayuga on Tuesday.

Not to be Published
In last week's issue a notice was given that a full report of the list of prizes won at the School Fair would appear in this publication. Since then we have been informed by Mr. G. L. Woltz, the district representative, that no reports of the school fairs are being given this year. The Department has several reasons for this decision but are sending a full report to each school.

CARD OF THANKS.
Mrs. B. Milledacher and Mrs. John Porter desire to express their sincere thanks for the kindness and sympathy shown them during the recent illness and death of husband and father.

The Late J. C. Ingles
The late John C. Ingles has been identified closely with the business interests of Hagersville since 1883 when he purchased the quarries from Messrs. Beattie Bros. During the early part of 1902 it was organized into a stock company known as the Hagersville Contracting Company with Mr. Ingles as President and Manager retaining a controlling interest. By his energy and excellent management he built up a large business, giving employment to large numbers of men. He was a most honorable business man, protecting his customers and refusing to take advantage of conditions whereby large profits could be realized. This was particularly noticeable in the serious coal shortage of a few years ago. In County Council matters, in municipal affairs, in the work of the Patriotic Committee and in many ways his splendid business talent and sound judgement were recognized and appreciated. A home loving man he yet found time to take an active interest in public and social affairs, devoting considerable time to recruiting, giving generously of both time and money. To his love for his home church and his interest therein the extension and improvements to All Saints' church were largely due and in the loss of their valued War den the congregation suffered an irreparable loss.

Mr. Ingles was a man of high character, lofty ideals and liberal views, holding the esteem of the entire community. He will be held in most kindly remembrance for many years to come by those with whom he associated and especially by those who knew him best. — Hagersville News.

Simcoe Fair The Biggest Success Yet
The Norfolk Fair closed last Wednesday evening and the attendance that day was a record for more than half a century. Fully 10,000 people entered the gates. More than one thousand autos stood in parking stand. The exhibit of heavy horses was strong, light horses fair, cattle the good, with no single breed predominating. The Berkshire swine beat the Tamworths in the bacon class. Corn was weak. Apples were surprisingly good for this year's crop, and potatoes and field grain, roots and vegetables excellent. The weather was a little chilly, but the crowd came out, and gave no hint that the Empire was at war. Among the leading exhibitors were:—Ansley Yeager of Simcoe, light horses; Peter Porter, Barford, Jerseys; L. A. Everett, Simcoe, Holsteins; E. B. Stansell, Vienna, Ayrshires; Mr. Ineson, Ingersol, brought 57 of the 500 birds in the chicken building. All the outside exhibitors praised the Fair and the layout of the local grounds and buildings, and were of one voice in marking Simcoe's show up next to the few big shows of the Province.

The following are the officers:—H. H. Groff, Hon. President; W. C. Everett, President; A. H. Smith, First Vice President; W. A. Boyer, Second Vice President; H. B. Donly, Secretary-Treasurer; A. E. Culvert, General Superintendent.

Appointed.
Those appointed by the Government to sit on the Military Tribunal for the county of Haldimand are as follows:—Cayuga District—Wm. Bain S. Cayuga; Jarvis—R. W. Smith, Jarvis; Caledonia—Wm. J. Ferguson, Caledonia; Dunnville—Rev. Dr. Laidman, Dunnville.
