Wapole Well Represented

At the Provincial Plowing Match held in Brantford last week Wapole was represented by three of her farmer sons who carried away their share of the prizes. In the class of "Open to all who had never won first" the first prize went to W. D. Lindsay of Hagersville, the second to Frank Laidlaw of Jarvis, the third going to Niagara Falls south and the fourth being won by Leslie Keen, of Jarvis. Apparently the heavy soil of Wapole has other redeeming features than that of raising bumper crops.

Four plows, made by Mr. L. Miller of this place, were in the different events being used by the above winners, and an Indian, of Oshweken, winning first using this make.

Why does Canada Raise Money by Selling Bonds?

BONDS are issued payable in ten or twenty years, as the case may be. It means that repayment of the money will be spread over ten or twenty years instead of being raised by taxation to meet current expenditures.

To raise by taxation all the money as fast as it is needed to carry on Canada's share in winning the war, would be an unbearable burden upon the people.

It would mean that more than a million dollars a day would have to be raised right now.

But to raise money by selling Canada's Victory Bonds means that those of the next generation who will benefit by the sacrifices this generation is making;—who will share in the freedom this generation is fighting for and largely paying for—will also pay their share.

And when you buy Canada's Victory Bonds you make a first-class business investment in a security that is absolutely safe, likely to enhance in value after the war, and bearing a good rate of interest.

You help the country by keeping open the British market for Canadian products and this helps the general welfare in which you share.

And again, every Canadian who buys a Victory Bond becomes a financial partner or backer of Canada in the war.

When you buy a Canada Victory Bond

you give a personal pledge that you are going to help to win the war.

Every man and woman in Canada can help to win the war by buying Canada's Victory Bonds. And Canada wants the personal, individual interest and co-operation of every man and woman in the country.

The buying of Victory Bonds by the whole people unites them in a determination to win the war.

Every purchase of Canada's Victory Bonds is a blow for freedom against the tyranny of German Kultur.

Every bond sold is a new guarantee that Canada is in the war to the finish, until victory is with the Allies and the world has been made safe to live in.

Every bond you buy is a new pledge that Canada will remain true to herself, the Empire, the Allies and to freedom's cause.

So it is both patriotic and good business to

Buy Canada's Victory Bonds

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

In Explanation

In answer to a number of subscribers as to why the report of the prizes of the Fall Fair failed to appear in the columns of the Record we might state that not having received the contract for the printing we were under the impression that the same would appear in the columns of the medium that received the work.

While always willing to do our part in the furtherance of any worthy cause we did not feel obliged to go after said list even had we been so inclined. In offering our tender we quoted what was considered a most reasonable price but in not offering to do to the work for nothing we lost the job and hence our interest waned. Can you blame us?

OBITUARY

In the death of Ellen Brock, relict of the late Edward Rodgers, one of the township's oldest and most respected citizens occurred on Friday last at 12 o'clock noon after a long and protracted illness, she being in her 81st year. Her death marks the last of the older generation of the Brock family and her absence will prove an irreparable loss to those who were acquainted with her sterling character, although her memory will serve as an inspiration in the carrying out of life's duties. Her love for all things good, her love for her cherished church, she being an ardent worker in St. Paul's throughout her life, will stand as a monument that material things could not build.

Born in the county of Fermanagha, Ireland, in 1838, she came to this country when still a child with her mother and resided in Scarborough, Ont., where her parents settled. In 1859 she was united in marriage to the late Edward Rodgers to which union nine children were given, six of which survive, namely Mrs. Jas. Hewitt, of Wapole; Landon of St. Catharines, Mrs. Albert Erwin, of Simcoe; John, of Jarvis; and Lizzie and Walter at home. She is also survived by sixteen grandchildren and five great-grandchildren.

The funeral took place on Sunday last with service at the house and interment in Oakwood cemetery at Simcoe, and was attended by a large number of sympathizing friends and relatives anxious to pay their last respects to one they loved.

The pall-bearers were three sons, Walter, Landon and John, two grandsons, Edward and Clifford, and a son-in-law, Lewis Backley.

A successful meeting of Haldimand Liberals was held at Cayuga on Tuesday afternoon and the candidate, Mr. J. J. Parsons, well satisfied all those present that he is the right choice to carry the policies of Sir Wilfred and the great Reform Party at the coming election.

Messrs. E. W. Smith, G. L. Miller and Dr. Wm. Jaques attended the win the war convention held in Cayuga last Thursday.

Word was received on Sunday last that Pte. Bert Williamson had arrived in Quebec.

F. R. Lalor Chosen Union Candidate

Cayuga, Oct. 25.—A convention to select a "win-the-war" candidate to support the new Union Government was held here to-day, summoned by a circular mailed to every elector in Haldimand. Every municipality was represented, and the Court House was filled by representatives of both political parties. J. W. Sheppard of Cayuga was elected Chairman. He has sent two sons to the war and has lost a son-in-law, and while a life-long Liberal he announced his position as a supporter of the Union Government. Mr. F. R. Lalor stated he had, as a late member, taken the responsibility of calling the convention and he hoped a nominee would be chosen who would firmly and resolutely support the Union Government and receive the endorsement of the whole county.

Mr. R. A. Harrison of Dunnville, in nominating Mr. Lalor, said he had supported N. W. Bowell in his last election, and any Government including him in its membership was good enough for him. Mr. Lalor had supported all the "win-the-war" measures in the last Parliament, and he was the logical candidate. The nomination was seconded by H. E. Sawie of Caledonia, and was carried almost unanimously.

Hon. Hugh Hugh Guthrie then addressed the meeting at length. He said the war had upset a good many calculations. In 1914 he had been in Cayuga in support of the nomination of J. J. Parsons, Liberal candidate. However, the situation was changed by the war, and to-day a Conservation Government, strongly entrenched in power, had given way to the strength of public opinion, and taken Liberal leaders into a Union Government. He made a strong plea for the elimination of party friction, and an acclamation if possible.

Dr. Jacques, M.P.P., also addressed the meeting. Mr. Lalor accepted the nomination, and a resolution was unanimously carried expressing confidence in the new Government and endorsing platform just issued.

Mrs. Hall and Miss Margaret Boyd of Toronto attended the funeral of the late Mrs. Ellen Rodgers which took place on Sunday last.

Diamond Wedding

An event of very unusual occurrence was the gathering of the members and relatives of the Mitchell family at the home of Mr. John Mitchell, Scotch Linc. Woodhouse township, Norfolk county, on Saturday, October 26th, to do honor to him and his beloved wife on the occasion of the sixtieth anniversary of their wedding. The event was a more joyful one to the aged couple in that it was a complete surprise, Mr. Mitchell being back in the field when the first of the guests arrived.

Mr. and Mrs. Mitchell were both born in the village of Bridge End, Calbraeth township, Banffshire, Scotland, so that they had known each other practically all their lives. Mrs. Mitchell was formerly Isabelle Horne and preceded her future husband to this country about one year. Mr. Mitchell's first home was on the stage Road and then down at the old mill, later settling at his present abode. On October 27th, 1857, he was united in marriage to his present wife at Simcoe. The country was new in those days and the young couple faced many hardships but their Scotch tenacity, determined purpose and strong faith carried them through successfully. It is a beautiful sight to see a young couple setting out on the voyage of life but it is a still more beautiful sight to see this old couple who had borne through the years the heat and burden of the day, surrounded by so many of their loving descendants. It is a grand thing for a man who has lived for over sixty years in a community to be held in such high repute as the said John Mitchell. On the fifth day of May, 1889, he was ordained, during the ministry of Rev. Jno. Wells, into the eldership of Jarvis Knox Church, of which honored body he is the oldest member in point of years, as he is also of the church, by whom he is held in fatherly respect and esteem.

After a splendid repast, the guests to number of seventy, assembled, when the Rev. Mr. Hare, present pastor of Knox Church, presented to Mr. Mitchell, on behalf of the relatives, a splendid gold headed cane and to Mrs. Mitchell a beautiful silted jacket. A very humorous and reminiscent speech was made by Alexander Mitchell, a brother, of Cayuga, also a few words by Robert Doherty, a neighbor.

Among those present were: John Mitchell, jr., and family; Mrs. Rachael Mitchell and family; Jas. Mitchell and family; George Mitchell and family; Robt. McIntosh and family; Henry Misner and family; Robert Jefferies and wife, of Toronto; Jas. Reid and family; Alex. Mitchell, brother, and family, of Cayuga; Robt. Doherty and wife; Chancy Misner and family; Mrs. Jos. Misner; Jas. Start and family; Leslie Atkinson and wife; Mr. Burch and family; Albert Pettit and wife; Harry Misner and family; Roy Misner and wife; Rev. A. W. and Mrs. Hare; Frank Mitchell; Mr. Stoner and wife.

We join with the whole community in wishing Mr. and Mrs. Mitchell many happy returns of the day and many more to come. We feel that at the close of these honored lives they will be able to say with the great Apostle, "I have fought a good fight, I have finished my course. I have kept the faith."
