

### Pandora Conveniences

The "Pandora" Range has triple grate bars that turn easily because each bar is shaken separately. The firebox is made smooth to prevent clogging of ashes and the ash-pan is large enough to hold more than one day's ashes. Write for booklet.

## Vision Your Sons, Mothers of Canada!

Vision them at early morning when through the rising mists, there bursts a hurricane of fire---

See your valiant boys---calm, grim, but cheerful, "stand-to-arms" until the Hun's "morning hate" dies away.

Picture them at breakfast, the meal that must bring them the bodily sustenance to carry them through the strain of another day.

Then think what might happen if, one morning, there was no breakfast ---no food, and word went down the lines that Canada had failed them.

Vision all these things, and then---as Women of Canada---Mothers of Men---Answer this Call to Service.

Canada must send to Her Own, and to the Allies Fighting Forces, more wheat, more beef, more bacon, and more of such other foods as are non-perishable and easily exported.

Canada can do this without depriving her own population of a fair share of any of these foods if You Women will but help.

All we ask of you is, that instead of buying so much white flour (if you do your own baking) you vary your baking by using one-third oatmeal, corn, barley or rye flour. Or, if you buy your bread, that you order a certain proportion of brown bread each day.

Second, instead of using as much beef and bacon as formerly, you vary your family's diet, by substituting for beef and bacon such equally nutritious foods as fish, peas, lentils, potatoes, nuts, bananas, etc.

Third, and this is most important, ---positively prevent the waste of a single ounce of food in your household.

## They Must Be Fed

Statistics show that, everyday, in Canada, sufficient food is thrown into garbage cans to feed the entire Canadian Overseas Army.

Travellers have often remarked that many a European family would live well upon the quantity and quality of food wasted in some Canadian homes.

Such waste is shameful at any time; but in these times it is criminal.

Our only hope is that with these truths before you, and in view of the vital issues at stake, we may count upon your earnest co-operation in stopping this appalling waste; and in substituting other foods for the wheat, beef and bacon that must be sent overseas.

Next week a Food Service Pledge and Window Card will be delivered to you. It is your Dedication to War Service. The Window Card is your Emblem of Honour.

Woman's Auxiliary, Organization of Resources Committee, in Co-operation with The Hon. W. J. Hanna, Food Controller.

### PARISIAN SAGE

PUTS HAIR ON YOUR HEAD  
AND KEEPS IT THERE

What's the use of being bald? What sense is there in deliberately allowing your hair to turn gray? Do you want to look old before your time? Give up the thought; old age will come only too soon.

Look after your hair. PARISIAN SAGE will kill the dandruff germs, and is the only preparation, so far as we know, that is guaranteed to do so. Man or woman, no matter how old you are, PARISIAN SAGE will make you look young.

Come in and get a large bottle to-day. It only costs 50 cents, and your money back if it does not cure dandruff, stop falling hair, or itching of the scalp. It will make your hair luxuriant, bright and beautiful, and it is the most refreshing, pleasant and invigorating hair dressing made.
