An Opportunity to Do Something Worth While

Do you know a mother whose son has bought with his life on the battle fields of Europe the liberty you enjoy? If so, it is your privilege to name that mother for decoration into the International Order of Allied Mothers in Sacrifice. The Associated Kin has made her nomination by her friends, an incident to her decoration and it is a privilege according to all who know of such a one, to pass that knowledge on to the Associated Kin Headquarters, London. They do not rest as a patriotic privilege on behalf of the people of Canada.

This great movement originated with the Associated Kin and to them is due the honor of having promulgated their propagation throughout the entire world mothers in practically all its major nations are wearing this insignia of what is admittedly at once the most exclusive and the most democratic order of womanhood and sacrificial motherhood that is, or will be.

During the first week in September, what will undoubtedly be the greatest gathering of sacrificial motherhood ever assembled under one roof will take place in Bond Street Congregational Church, Toronto. This time is chosen that mothers from a distance who are visiting the Canadian National Exhibition may receive the insignia of the International Order of Allied Mothers in Sacrifice. This will be the second decoration meeting held in Toronto this year.

Following it at KINSMAN HALL, LONDON, a similar meetings will be addressed by a speaker chosen by our overseas heroes and a program in every way appropriate to the occasion is assured to attend.

We trust the friends of mothers within the scope of our circulation will see to it that this distinction be conferred on every mother whose soldier son has made the supreme sacrifice. To such of these mothers as are shut in through physical disability, the Associated Kin ask local co-operation and volunteer special attention to their decoration in their homes. Where the Associated Kin is organized, particulars should be handed to the local secretary to send forward. In other places send full information direct to Head Office, London, Ontario.

The Best School

The Simcoe Business College cannot be excelled in Canada for the teaching of Shorthand and Typewriting. The Principal, J. H. Bowden, had ten years' experience teaching these and allied subjects in Toronto, Ont., and New York City before assuming the ownership of the College in Simcoe in 1914. While in New York he trained in Columbia University and the College of the City of New York, passing with honors the examinations at the last-mentioned university. He holds a certificate of proficiency by the Isaac Pitman Teacher's Association of America. It is no wonder therefore that the graduates of this school are capable of taking places of experienced stenographers, as all instruction is under the daily supervision of the Principal. Bookkeeping and the Dalton Adding Machine are thoroughly taught in the Commercial Department. The Fall Term commences on September 3. Send in your application for admission now and be prepared for a good office position in the Spring.

Was a Success

The Garden Party given under the auspices of the Jarvis Brass Band on the Methodist Church park was a success in spite of a postponement of date. The original date as advertised was for Friday evening, but owing to a heavy rain the party was left over until the following evening.

On Saturday evening the weather proved agreeable and a large crowd was in attendance. The program was given local talent and was much appreciated. The booth was well patronized and at the close of the program a number of cakes were auctioneered. Mr. G. L. Miller acted as chairman in an efficient manner.

The proceeds amounted to \$213.36 and after deducting \$52 for expenses the amounts of \$161.36 were given to the Red Cross Auxiliary and the Women's Institute.

Card of Thanks

Mr. and Mrs. Wm. Robinson wishes to express their sincere thanks and appreciation to the many kind friends and neighbors who were so kind and thoughtful to them in their recent sad bereavement in the sickness and ultimate death of their daughter Leah.
