Post-Office Department, Canada, Ottawa, January 23, 1918.
Up to the present it has been permissible to send letters destined for persons in an occupied territory through the medium of an intermediary in a neutral country. An arrangement has now been made whereby such correspondents can be forwarded through the medium of Messrs. Thos. Cook & Son, 530 St. Catharine St., W., Montreal, in connection with the authority received by their London House, from the British Government to undertake the transmission of such correspondence.

The letters to be forwarded must relate only to private news and must not contain any reference to military or naval movements, to political and economic conditions or the like. The letter should be enclosed in an envelope legibly addressed to its ultimate destination, and must be left open in accordance with the censorship regulations of enemy countries. This should then be placed in another envelope addressed to Thos. Cook & Son, 530 St. Catharine St., Montreal, together with a slip bearing, legibly written, the name of the sender and also a postal note for twenty-five cents to cover the charges.

This amount covers the expense of transmitting the letter to a neutral country, from thence to an enemy country and the reply. The arrangement necessary to ensure the transmission to the writers of any reply from the correspondents in enemy countries will be made by Messrs. Thos. Cook & Son.

There are certain towns to which on account of restrictions imposed by the enemy Messrs. Thos. Cook & Son cannot forward correspondence and in other cases they are only able to transmit the letter without making arrangements for the reply. Full particulars, however, may be obtained from Thos. Cook & Son on writing to them at 530 St. Catharine St., W., Montreal and enclosing a stamped addressed envelope for the reply.

Letters addressed to enemy and enemy occupied territory can only be sent in this manner and any which are being forwarded through other than this authorized channel will be returned to the sender. This does not affect in any way correspondence addressed to Prisoners of War in enemy or enemy occupied territory which is to be forwarded in accordance with the Prisoner of War regulations.
