To the Electors of the County

Now that the Elections are over, I desire to thank the people of the County for the splendid support given me as the Union Government Candidate.

My majority speaks for the loyalty and patriotism of the Electors.

I believe that the Government will prove to be a real union of Parties, in the best interests of Canada, the Empire, winning the war, and our brave men that are overseas.

The issue was non-partisan and patriotic, and the electors responded nobly to the call. The sweep throughout Canada shows that the people had their hearts in the cause, and were prepared to cast aside political allegiance of a life time and stand
