Satan Resigns and Kaiser Reigns

An article published in the San Francisco Bulletin, and supposed to be a letter from Satan to the Kaiser, written by Louis Syberkron, has attracted much attention and several copies have come to the editor with the request that it might be published. Omitting a paragraph or two it is herewith reproduced, as illustrating the views that find general acceptance in the United States:

"To William von Hohenzollern, King of Prussia, Emperor of all Germany and Envoy Extraordinary of Almighty God:

"My Dear William: I can call you that familiar name, for I have always been very close to you; much closer than you could ever know. From the time that you were yet an undeveloped being in your mother's womb, I have shaped your destiny for my own purpose. In the days of Rome I created a roughneck known in history as Nero. He was a vulgar person and suited my person at that particular time. In these modern days a classic demon and efficient super-criminal was needed, and as I know the Hohenzollern blood, I picked you as my special instrument to place on earth an annex to hell. I gave you abnormal ambition, likewise an oversupply of egotism that you might not discover your own failings. I twisted your mind to that of a madman, with certain normal tendencies to carry you by the most dangerous character placed in power. I gave you the power of a hypnotist and certain magnetic force that you might sway your people.

EMBITTERED BY DEFORMITY.
"I am responsible for the deformed arm that hangs helpless on your left, for your crippled condition embitters your life and destroys all noble impulses that might otherwise cause me anxiety; but your strong arm is driven by your ambition that squelches all sentiment and pity. I placed in your soul a deep hatred for all things English, for of all things on earth I hate England most. Wherever England plants her flag she brings order out of chaos, and the hated cross follows the Union Jack. Under her rule wild tribes become tillers of the soil and in due time practical citizens. She is the great civilizer of the globe and I HATE HER. I planted in your soul a cruel hatred of your mother, because SHE was English, and left my good friend, Bismarck to fan the flame I had kindled. Recent history proves how well our work was done. It broke your Royal mother's heart but I gained my purpose.

IMPROVED ON HADES.
"Your opportunity was at hand; you set the world on fire and bells of hell were ringing; your rape on Belgium caused much joy—it was the beginning, the foundation of a perfect hell on earth, the destruction of noble cathedrals and other infinite works of art was hailed with joy in the infernal regions. You made war on friends and foe alike, and the murder of civilians showed my teachings had borne fruit. Your treachery towards neutral nations hastened a universal upheaval—The thing I most desired. Your unscrupulous warfare is a masterpiece; from the smallest macherel pot to the great Lusitania you show no favorites. As a war lord you stand supreme, for you have mercy; you have no consideration for my baby, clinging to its mother's breast, as they both go down into the deep together, only to be torn apart and leisurely devoured by sharks down among the corals.

IN BATTLE'S TRAIN.
"I have strolled over the battlefields of Belgium and France. I have seen your hand of destruction everywhere; it is all your work, super-fiend that I made you. I have seen the fields of Poland, now a wilderness, fit for prowling beasts only; no merry children in Poland now; they all succumbed to frost and starvation. I drifted down into Galicia, where formerly Jews and Gentiles lived happily together; I found but ruins and ashes. I felt a curious pride in my pupil, for it was above my expectation. I was in Belgium when you drove the peaceful population before you like cattle into slavery; you separated husband and wife and forced them to hard labor in trenches. I have seen the most heinous rape committed on young women, and those who were forced into maternity were cursing the father of their offspring, and I began to doubt if my inferno was really up to date.

"You are a liar, a hypocrite and a bluffer of the highest magnitude. You are a part of mine and yet you pose as a personal friend of God. Ah, Wilhelm, you are wonder. You wantonly destroy all things in your path and leave nothing for coming generations.

EVEN SATAN REVOLTS.
"When a Prussian officer can witness a nude woman being disembowled by a swarthy Turk, committing a double murder by one cut of his saber, and calmly stand by and see a house full of innocent Armenians locked up, the house saturated with oil and fired, then my teachings did not stop with you, but have been extended to the whole German nation. I can see my satanic soul grew sick, and then there I knew the pupil had become a master. I am a backslider, and my dear Wilhelm, I audaciously sue you for the great key of hell will be turned over to you. The gravel that has struck the doom of damned souls since time began is yours. I am satisfied with what I have done; that my abdication in your favor is for the very best interests of the world. In the future I am at your majesty's service. Affectionately and sincerely
"LUCIFER H. SATAN"
