Simcoe House Burned

The fine old residence erected by Lemson in 1770, about a quarter of a mile west of the town, over half a century ago, was destroyed on Monday night by fire supposed to have been caused by lighting. The family inhabiting it, with two boy guests, all escaped, but practically all the contents were destroyed.

Save the Wild Berries

Every effort should be made this season in the interests of food production to save the wild raspberries and other small fruits which grow in abundance in this neighborhood. Wild fruit of all kinds are most valuable and the crop should not be allowed to go to waste.
 It has been suggested that motor-car owners should volunteer to carry people to and from the berry patches, as many persons are unable to reach these spots through lack of some conveyance. Parties of young girls and boys, who are too young to enlist for work on fruit and other farms, could do this work, and might go berry picking with some older person in charge. Let some patriotic organization take the matter in hand, as no doubt many automobile owners will willingly volunteer to carry berry-pickers if it becomes known with whom arrangements can be made.

Save our foodstuffs for our soldiers by doing your utmost to preserve all the fruits and vegetables possible for winter use.

The Western Fair, London, Ont.

If space is required for an Exhibit at London's Exhibition, September 6th to 14th, it should be applied for at once, as several of the buildings are already filled. The Government is sending a number of Exhibits of unusual interest. For the Art Gallery a loan of excellent pictures has been received from The National Art Gallery, Ottawa, which will make a visit to this building of great interest to all lovers of Art. The Agricultural Building will have several Government Exhibits relative to agricultural pursuits and should be of especial interest to the farmers who make up to such a large extent the thousands of visitors at the Exhibition. Government Exhibits of Eggs and wool will be shown in the Dairy Building which will be very attractive. All the buildings will no doubt be filled with Exhibits of special interest. All applications for space and anything pertaining to the Exhibition should be addressed to the Secretary, A. M. Hunt, London, Ont.

FALL TERM opens Sept. 3rd.
