

Replace These With a Gas Tap

A little tap and a twist of the finger takes the place of the coal scuttle, the wood box, the long wait, the dirt, the ashes—and sometimes the smoke too.

Get a McClary gas range and cut your kitchen work in two.

Sanitary, with black enamel finish and enameled tile or splash back.

Conveniently high oven, glass door and thermometer—everything that a modern gas range ought to have.

"Satisfaction," a booklet that describes every kind of gas appliance from a "hot" plate to hotel kitchen range will be sent to anyone writing for it.

EVANGELINE'S LAND TO HAVE A SHRINE

A giant of the orchard in full bloom, The fisherman doing his bit. A new Mecca is beckoning to devotees of art and religion. Its name is Nova Scotia. Already the artists have made their pilgrimage and returned with charming pictures of Evangeline's Land. A collection of sixty paintings, the work of six New York men, known as the Nova Scotia Group, were exhibited recently in New York and elicited much praise.

The pioneers of Nova Scotia have blazed a trail over which a brush and palette laden army will follow in seasons to come. They will come to paint the gentle beauty of apple-blossoms when the great Annapolis Valley is covered with a fragrant pink and white veil. They will come in cherry time to paint the rich red fruit and the happy people enjoying the Cherry Festival, a time honored custom. They will come in autumn to transfer to canvas the mad riot of brilliant coloring with which Nature paints the woods and hillsides and when the orchards groan beneath their heavy burdened boughs of ripened apples. They will come at all seasons to picture the quaint fisherfolk and their quaint surroundings.

The Dominion Atlantic Railway that swings you around a half-circle from Halifax to Yarmouth, takes you through a Land of Romance, the Land of Evangeline. At the little station of Grand Pre you will find a wide meadow which is soon to be transformed into a shrine. Here previous to 1775, stood the Roman Catholic Church of St. Charles, the church of the Acadians. To-day a massive stone cross marks the site of the old burying ground that surrounded the church and nearby is Evangeline's Well, with its long sweep.

The French Acadians have always cherished a reverence for this spot and now through the generosity of the Dominion Atlantic Railway Company they may call it their own Memorial Park, Grand Pre, N.S. The railway company has purchased this meadow and will make it into an old-fashioned garden surrounded with a rustic fence and has deeded a portion of the ground to the Societe L'Assomption, composed of French Acadians, of which the Rev. C. V. Landry of Burcke, N.B., is President. The only consideration for this transfer is the promise of the Societe to erect a chapel. This they are eager to do and plans are now under consideration.

With the dedication of the new shrine, large numbers of French Acadians from Quebec, Montreal and Upper Canadian points, will make pilgrimages to Grand Pre similar to those made yearly to Ste. Anne de Beauspre. Their numbers will be swelled by many others who cherish a fondness for the gentle Evangeline and who will be eager to visit the scene of her story and to walk under the ancient willows that still guard this storied spot.
