Sandusky

(Too late for last week.)
Mrs. Herbert Peacock visited with friends in Hamilton last week.

Leo A. Pond of Hamilton, was home for the week-end.

Miss Thos. Westerby spent a few days last week with her daughter at Rainham Centre.

Miss Stella Pond and brother spent Sunday evening at the home of Mr. and J. R. Pond.

Miss Lillian Jackson, of Naticoke, spent Tuesday with Mrs. J. W. Westerby. Mrs. Chas. Peacock is visiting this week with Mrs. John B. Gillip, Dunville.

ALMOST A WHOLE FAMILY PERISH.

Two sisters, sole survivors of a once happy family, greeted us pleasantly as we visited in a sunny ward of the Muskoka Free Hospital.

The mother and several other members of the family had died of consumption, and the plague had not yet passed its full force for its own, but fortunately they were out of time.

One of them said: "I feel the Hospital has done me a great deal of good. Everything is lovely, and I am getting well." The other: "I have gained twelve pounds, and think I will be able to go home for good in six months."

Such is the work of the Muskoka Free Hospital for Consumptives. Thousands of grateful patients can testify to the help they have received here. It costs a great deal of money to carry on the work. Will you help?

Contributions may be sent to Sir William Gage, 84 Spadina Avenue, Toronto, or George A. Reid, 225 College Street, Toronto.

What the Brunswick Method of Reproduction Means to You

BRIEFLY it brings two great exclusive features.

First, the Ultona, a new conception for playing all records at their best. Just a turn of the hand means the correct position on the record, the proper diaphragm and needle for every make.

Second, the All-Wood Tone Amplifier built-up on the violin principle.

Tones hitherto lost are brought out in rich clarity by these exclusive Brunswick features.

Hear The Brunswick before you buy or even make a tentative decision. Doing so will not place you under the slightest obligation.
