

BRANT-OLA

The PERFECT PHONOGRAPH

This wonderful instrument plays all disc records correctly. The tone reproduction is perfect. No limit to the variety of music at your command.

The Brant-Ola meets every requirement in style and price. Made in seven different styles and finished in either Fumed Oak or Mahogany.

Why postpone the inevitable? Arrange for a demonstration and you'll buy a Brant-Ola. There's one made for your home.

We have a Great Deal to be Thankful 'For

“With the kind permission of our many friends we ask for the privilege of a few minutes at the closing of 1919 for a short conversation with them.” Falls Store cannot New Year's Eve put on its night clothes and go to sleep without paying to the people their just dues for the generous excess of confidence and support bestowed upon it in the recognition they have given of our endeavours to surpass all previous endeavors.

•We Have Faith in Simcoe

It is plain to be seen that others besides ourselves have discovered there are new sceneries moving upon the stage of the commercial life in good old Simcoe.

The spectacle of trade during the Christmas month makes clear that somebody is mastering some of the deficiencies of former years. While this served nearly double as many customers as ever before, and we believe to their entire satisfaction owing to the absence of flurry, fuss and impatience usual to overcrowded places. It was only possible by the co-operation of each individual inside the store and outside of it.

Therefore everyone who helped is entitled to the grateful praise and hearty thanks these words are intended to convey to you.
