Dances are again becoming a frequent pastime, one being held on the Tuesday of last and this week. These dances are being held under the auspices of the Soldiers' Comfort committee and the total proceeds are \$80 to date. As no comforts are being sent overseas it is committee's intention of turning over the money for a suitable war memorial and this not materializing the money will be devoted to some other patriotic endeavor. The next dance will be held the coming Tuesday evening.

As a result of the ever increasing popularity of farm tractors and gasoline engines on Haldimand County farms, a two-day course in farm power will be held in the Rubber Factory, Cayuga, on Thursday and Friday, Feb. 20 and 21. Special lectures and demonstrators will be supplied by the Department, who have a thorough grasp of the fundamental principles underlying the construction and operation of engines. Presentation to Wm. Parkinson

A deputation of the Walsale Agricultural Society waited upon Mr. Wm. Parkinson this evening and presented him with a gold headed cane, beautifully engraved with his initials and those of the Society, as a small token of his valuable and efficient services for over a period of thirty years.

The success and the maintenance of the Society, so highly beneficial engaged in agriculture and in the improvement of live stock are due to Mr. Parkinson's untiring efforts of these many past years. We sincerely hope he will still continue to be a pillar of the Society.
Signed in behalf of the Directors,
R. W. SMITH, President 1917-18.

A very serious accident occurred on North Broadway, Tillsonburg, on Saturday evening, which luckily resulted in no fatalities to the occupants. Mr. V. Denton of Springfield was driving on Main street when his horse became frightened at Mabee's service car and jumped to the wrong side of the road, the auto driver turning out to miss the horse, which in another instant jumped directly into the car, which was badly wrecked. The horse's leg was broken, and it was later found necessary to shoot the animal. Eye witnesses claim that no blame can be attached to either party, and that it was the best of luck that no fatalities resulted.

A number of relatives and friends met at the G.T.R. train last night to welcome back the gallant young aviator, Pte. Harry Jennings, son of Mr. and Mrs. W. W. Jennings, who served at Salonika, Egypt and Greece. He is recovering from a severe illness and though looking well, tires easily. He is resting at his home here after the long and tedious journey.—Hagersville News.

Ivey-Dobbys

(DIFFERENT LEADER, CARMAN, MAN.)

A pretty wedding was solemnized at the home of the Mayor and Mrs. R. J. Dobbys, Melita, on Wednesday, Jan. 29, when Miss Agnes, their youngest daughter, was united in marriage to A. Elmer Ivey, manager of the Melita Branch of the Union Bank, second son of Mr. and Mrs. T. W. Ivey, Carman. The ceremony was performed by Rev. A. R. Manders, pastor of Victoria Methodist church, where the young couple were both members of choir and faithful workers in many church and community activities. The bridal chorus from "Lohengrin" heralded the happy event and punctually at 5.30 p. m. the bride and her father entered the drawing room. The bride looked very charming in a handsome gown of white silk crepe de chene and georgette crepe, trimmed with pearls and fringe, wearing a regulation veil and carrying a bouquet of bridal roses and ferns. The bride and groom were unattended except for little Miss Gertie Dobbys, niece of the bride, who acted as ring bearer. Mr. Frank Haines sang "Because," accompanied by Mrs. Pither, sister of the groom. The groom's gift to the bride was a handsome diamond set necklace; to the accompanist, a pearl and onyx ring; to the soloist a music case. The rooms were tastefully decorated with carnations, roses, lilies and ferns. After the ceremony supper was served. Owing to the recent indisposition of the bride's mother, only the relatives and friends of the bride and groom were present at the ceremony. Mrs. W. A. Davidson, of Souris, received the guests, assisted by Mrs. Lewis. The out-of-town guests were: Mr. and Mrs. T. W. Ivey, Carman; and Lieut. and Mrs. Pither of Oxbow, Sask. Mr. and Mrs. Ivey will take up their residence at Melita.

NOTE—The groom, A. Elmer Ivey, is a son of Mr. and Mrs. Thos. Ivey, formerly of this place, and a nephew of Mr. Wm. Sowter to whom we are indebted for the above clipping.

War Savings Societies

A War Savings Society is a group of persons organized to promote systematic saving among its members and to emphasize, in every way possible, the need and desirability of thrift. Ten or more persons may thus organize themselves and, having done so, secure official recognition through the issue of a charter from the National War Savings Committee.

Organized in schools, factories, large business houses, and in the midst of already existing bodies, these War Savings and Thrift Stamp campaigns. Organizations such as the Daughters of the Empire, the Red Cross, the Home Makers, the Women's Grain Growers and others that could be mentioned can render valuable service by forming War Savings Societies and Thrift Clubs among their members.

War Savings Societies should be formed by the thousands throughout Canada.

APPRECIATE NATURAL GAS WHILE IT LASTS

WEATHER
PROBABILITIES—Fair and Moderately cold

Eventually every natural gas field will fail. Be careful, therefore, in using it, because the sooner the supply is exhausted the earlier will you have to pay higher prices for artificial gas and other fuels. To waste natural gas is to deprive yourself of one of nature's greatest gifts, and to bring nearer the day when you will have to pay treble the present price fuel.

Although natural gas is cheap, do not waste it, the supply is not everlasting.
