Word was received in this village this week that J. D. Creighton, a one time resident of Jarvis, had passed away at his home in Cleveland, Ohio, on Sunday last. He will be remembered by a number of the older residents of Jarvis.

Warden McQuillen, ex-Warden Clark, and Supt. McBurney attended the Good Roads Convention in Toronto last week, of which Mr. J. J. Parsons, of this place, is the First Vice President. Mr. A. W. Campbell, C. E., stated that the Federal Government was prepared to contribute \$20,000,000 toward good roads throughout the Dominion.

Peter Racher was killed on the Michigan Central railway near Hagersville, on Thursday last. He was walking along the railway track when overtaken by one train and was met by another. He got in between the two trains and in some way was killed. The coroner's jury did not attach blame to any person. The deceased was rather hard of hearing and apparently did not hear the train until it was on him. Crown Attorney Arrell appeared on behalf of the crown.

Captain McNeaney

Capt J. H. McNeaney, died of cerebral spinal fever, according to a telegram received by his wife, who resides on the mountain, Hamilton. Last November he was promoted to the rank of captain, and was not a Lieutenant as stated in last week's issue.

Distressing Fatality

A distressing and unblamable accident occurred on Saturday evening last about nine o'clock. Mr. Isaiah Fissette, gatekeeper at the G.T.R. crossing, and one of the oldest residents of the village, had been to the south end of the town making his weekly purchases, and while on his way home was struck by a wheel ridden by Leonard Owen, a young lad of about fifteen years.

Mr. Fissette had a custom of walking on the cement road on dark nights and when opposite the home of Mr. R. A. McCarter was struck by the aforementioned boy, who was returning from the station, and who apparently did not see the unfortunate man till he was hurled from his wheel. The impact threw Mr. Fissette off his feet and, in falling, he fractured the base of his skull from which he never remained consciousness. He was carried into the home of R. A. McCarter, and Dr. O. J. Newell called but in spite of medical aid he passed away about eleven o'clock, his wife and daughter being at his bedside when he expired.

The body was removed to the home of Mrs. Doc Parkinson, his daughter, at Varenay, where the funeral service was held on Tuesday at 2:30 p.m. Interment took place at the Union cemetery, Nanticoke.

The late Mr. Fissette, who was in his 70th year, is one of the oldest and best known citizens of Jarvis and his demise will be keenly felt by a large number of friends and relatives in Jarvis and vicinity. His family have the sincere sympathy of the whole community in their bereavement.

An inquest was felt to be unnecessary as it was considered that the fatality was purely accidental.

Jas. MacDonald Dies Suddenly

The sudden death of Jas. MacDonald, a well known farmer of Walpole, occurred suddenly in the village on Monday morning last. Mr. MacDonald had been driving cattle to the stock yards at this village and of necessity had been doing a lot of running. Succeeding in getting his cattle in the yards he had just climbed up on the yard fence when he fell over backward and expired before a doctor could reach him, heart failure being the cause of his death.

The late Mr. MacDonald, who was in his 61st year, was known throughout the township and his passing will be keenly felt by a large circle of friends.

Besides his wife he leaves to mourn his loss one son and three daughters, who have the deepest sympathy of the community in their bereavement.

The funeral met at his late residence this Wednesday noon for service, interment taking place in the Springvale cemetery.

Rockford

Member for Haldimand Speaks on the Address

Dr. Jacques on rising complimented Mr. Calder, Member for North Oxford, on the success of his maiden speech. The doctor stated that he was glad to welcome the Legislature, new ideas and new strength. The previous speaker had complained that the rural population was growing less. The Doctor contended that this might be accounted for in part, by the fact that much of the work of the farm was done by machinery, so that we can very well add to the men actually on the farm the makers of those implements who are associated with them in the production of the products of the farm.

The Member for Northumberland, (Mr. Sam Clarke) had referred to the By-Elections with some satisfaction, but the Speaker thought that, that satisfaction must be somewhat limited by the fact that the candidates had thought well to take the precaution to drop the old Liberal party and take a new banner under which to fight.

Referring to the Temperance question Dr. Jacques thought that we should have a little patience. The Act calls for a vote of the people in June next, and although it might be advisable to wait two or three months longer until our soldiers get home, surely we at home can exercise a little patience, when they have sacrificed so much for us. You can have no moral reform without sacrifice. If you expect it you might as well give it up.

Referring to our duty to our returning soldiers. The Speaker thought that each soldier should be put, as far as possible, in as advantageous a position in life as if he had not gone to the front. We cannot always do this but we should do our best.

Referring to Widows pensions it is not only a good thing and right in relation to the widow who is left but is very advantageous for the state, in helping in the bringing up a race of native born citizens in this country instead of importing foreign laborers to take up our fertile lands.

Referring to the fixing of the price of wheat for 1919 crop, requested by the Western provinces, the speaker would be much benefited personally, if it were done, as he has interests in wheat growing in the West, but rather doubted its expediency for Ontario, as it would mean a large outlay of money by the country as a whole, to make up the difference between the open market price and the fixed price. However, it is a matter for the financiers at Ottawa. The member for Northumberland has objected to the outlay on roads. The doctor claimed good road project was very popular in his County.

Sandusk

Mrs. Mary Matice and Mrs. Freeman Sterman returned home on Thursday after visiting friends in Detroit and Cleveland.

The Sandusk Women's Institute met at the home of Mrs. Jas. Hewitt on Thursday last. The afternoon's work consisted of putting one quilt together and tying the same. The box to be packed this month will contain a quantity of clothing, 55 pairs of socks and 2 quilts. It was decided to spend \$25 in goods to be made up for relief work, and also to have blocks ready for the next regular meeting for another quilt.

At the close the hostess served a dainty lunch. The next meeting will be held home of Mrs. Chas. Nichol.

Mr. and Mrs. Leslie Atkinson spent Friday evening with Mr. and Mrs. J. W. Westerby.

Mrs. James Awde and children spent Friday afternoon with Mrs. Joseph Awde.

Mr. and Mrs. Ernie Lindsay and child of Selkirk, are visiting friends in this vicinity for a few days.

Mrs. J. R. Pond spent Saturday in Simcoe.

Mr. and Mrs. Chas. Peacock and son Sunday with Mr. and Mrs. Ed. Wright at Erie.

Mr. and Mrs. Wm. N. Swent, of Rainham Centre, visited with Mr. and Mrs. Thos. Westerby on Sunday.

Sandusk U. F. O's

Million in Two Years

WETHER PROBABILITIES—Mostly Fair and mild

More than a million dollars have been spent in the past two years trying to find new gas fields in Ontario. Yet so capricious is Nature in the distribution of her gifts, that there has been no important addition to the known gas supply. It therefore behoves you to be economical in your present use of natural gas.

Although natural gas is cheap, do not waste it, the supply is not everlasting.
