Duncan Campbell Scott's address on "Relation of Indians to Wild Life Conservation," and "Open Day at Lake Senogo" by John Townson are timely and interesting articles. "Fishing Notes" conducted by Robt. P. Lincoln containing "Dusk and Ember Papers," "Along the Trap Line" by H. C. Haddon, "Guns and Ammunition" by C. S. Lundis, "Rod and Gun Mechanics" "The Kennel and Trap" departments will all be round up to the usual standard with much to interest their various followers.

Longfellow, Rudyard Kipling, "Bill Nye," and for variety's sake there also will be present the Hoosier from Green's Corners, Posey County, Hoopole Township, Indiany, who will lend much fun to the occasion as a touch of pathos.

Haldimand County Leads

Ontario VICTORY LOAN Headquarters report, at the end of the second day of Campaign, Ontario had subscribed $43,693,600. This is an advance of $10,000,000, over last year's return for the same time.

The following appears in all this morning's papers throughout the Province:

"The highest County to-night is Haldimand, under Organizers R. N. Harcourt and G. A. Somerville, with 23.61 per cent. of their objective already attained."

KEEP IT UP HALDIMAND

Haldimand is certainly making a name for itself. Now the County has jumped into the lead, let every citizen do his utmost to keep us in front.

Dunnville is setting the pace for all Ontario Towns. The percentage obtained to date is 71, or $214,000 of its 300,000 objective. How soon is Dunnville going over the top?

In the County the race has only started but already the competition to win the first Prince of Wales' Flag is developing. Canboro Township is in the lead with 30 per cent of their objective secured. Moulton and Sherbrooke are a close second with 22 per cent. and North Cayuga just behind with 20 per cent.

Although South Cayuga, Jarvis and Walpole have so far not made any report, rumors have reached Headquarters that these three have been saving up in order to spring a big surprise.

The County of Haldimand made a wonderful record in the VICTORY LOAN Campaign last year and it is up to the citizens to unite in their efforts in order that this record may be maintained.

The eyes of the Province are on you, Haldimand. GO TO IT.

The following is the return for the County up to Tuesday night, giving the returns to date and their percentage:

Canboro, $8,850, 30 p.c.; N. Cayuga, $15,500, 20 p.c.; S. Cayuga, no returns; Dunn, $3,600, 8 p.c.; Sherbrook and Moulton, $6,600, 22 p.c.; Oneida, $6,400, 7 p.c.; Rainham, 3,000, 5 p.c.; Seneca, 6,500, 7 p.c.; Walpole, no returns; Caledonia, 11,720, 14 p.c.; Cayuga, 1,500, 3 p.c.; Hagersville, 4,100, 4 p.c.; Jarvis, no returns; Dunnville, 214,350, 71 p.c.

The following is a list of Official Canvassers for County of Haldimand:

N. R. Teeft, Canboro; J. M. Allen, Peter Reichheld, North Cayuga; C. D. Suter, South Cayuga; Rev. W. A. Kyle, Dunn; W. A. Houser, A. C. Fletcher, Moulton and Sherbrooke; John Senn, J. A. Laidlaw, Oneida; Peter Reicheld, A. E. Havill, John Beck, Rainham; J. B. MacKenzie, J. W. Kelly, S. A. Thompson, W. Laidlaw, Walpole; John Douglas, Sr., Chas. Fortune, Caledonia; R. C. Lindsay, Cayuga; Rev. H. M. Whitelaw, Hagersville; G. L. Miller, Jarvis; W. T. Congdon, Robert Jackson, Norman Bennett; W. Robbie, Dunnville.

U. F. O.---U. F. W. O.

We are too apt to think that our education is obtained mainly in schools This is false conception unless we mean the great school, the school of experience.

"I am a part of all that I have met' said Ulysses of old, and his statement is true now as then.

If you and I, the Farm people of Canada shut ourselves in the four walls of our homes, or the limits set by the lines tences of our farms, our lives will be very limited and our education very meagre. But if we cease to regard ourselves as mere individuals, our Farms, and the business connected with them as mere personals interest, and step up to higher vantage ground, seeing ourselves as a class of people, citizens of a great nation, and our industry as a part of the basic industry of this great country, we immediately broaden our vision and see before us the open door into well nigh limitless service to the nation.

"No man liveth to himself" in secular affairs any more than he does in his religions life, and this is one of the chief letters of the Alphabet of this new education that is being disseminated far and wide to-day.

The nation is calling very loudly these days upon you and me to estimate at its true worth our individual and collective worth and corresponding responsibility as citizens.

We are certainly facing a great crisis and it is absolutely necessary that we go to our work as citizens with a fixed purpose, a rigid determination, that so far as our powers of brain and heart extend, we shall see to it that the reins of government are placed in competent hands, in the hands of men whose records are clean, whose purposes are clear, and who are responsible to us, for their action between the date of their election and the date of the dissolution of the parliament to which we elect them.

If we believe in democracy, in representative Government, let us prove our faith by our works, for faith without works is dead.

A. G. Smith, son of Mr. and Mrs. B. W. Smith, arrived home from overseas Monday night. His many friends will be glad to welcome him home.
