A WORD TO THE WOMEN.

Two votes will be taken on the 20th of October—one on the temperance referendum and the other to elect members to the Legislature. This is the first election in Ontario when all women may vote. It is important for every woman to remember when voting on election day that she should receive the referendum ballot and the ballot for members to the Legislature. Answer every question on the referendum ballot and mark the legislative ballot for your choice of candidates.

THE oven is the big feature of a McClary's Gas Range. The heat is uniform and is confined. Cooking is on view through the wired-glass oven door. A reliable thermometer banishes the risk of overheating. McClary's Gas Ranges are finished in hard-baked black enamel. The whole range, inside of oven included, can be cleaned with a damp cloth.
