Coal Oil Heaters

Any Chills In Your Home?

PERFECTION Oil Heaters are to day driving cold out of the living room, den, bedroom, dining room or bathroom, day or night, in more than 500,000 homes.

The little heaters measure about twenty-five inches in height and twelve inches in diameter. They are light in weight and easy to carry from room to room. They burn coal oil, the ideal fuel. It's the one fuel which is everywhere available, easily handled safely, low price and efficient, (that is it produces a great deal of heat at low cost). They are easy to operate and easy to care for.

Ryder-Brennan

A very pretty wedding took place on October 14 at St. Ann's Church, Walspole, when Miss Mary Brennan, daughter of Mr. and Mrs. John Brennan, was married to Mr. N. J. Ryder, son of Mr. and Mrs. Jacob Ryder of Cayuga. The ceremony was performed by Rev. G. J. Cleary and was followed by a High Mass.

Altho an October wedding the day was mild and pleasant. The bride wore a gown of white embroidered Georgette Crepe over white silk with a veil and and wreath of orange blossoms and carried a shower bouquet of bridal roses and ferns. She was attended by Miss Margaret Montague who wore a gown of pale yellow Georgette Crepe and large picture hat and carried a bouquet of tea roses.

The groom was attended by Mr. Joe Waters of Cayuga.

The Wedding March was played by Miss Frances Owen and as the bridal party left the church a duet was sung by Miss Owen and her brother Douglas Owen.

After receiving the congratulations of their friends at the church the party returned to the bride's home where a sumptuous breakfast was served to the immediate families of the bride and groom.

Mr. and Mrs. Ryder left in the afternoon on the M. C. R. for western points intending to visit Windsor, Detroit, Cleveland, Buffalo, Toronto and Brantford. Upon their return they will reside in Jarvis.
