Dancing and Music

The emotional side of the majority of people cannot be satisfied by Free Libraries, Gymnasiums, Playgrounds, etc. The love of moving the healthy body to the rhythm of music in some form of dancing is an in-born peculiarity of the average man and woman; with liquor and indecent music, however, dances may do more harm than benefit. It is pathetic to see in our large towns and cities young men and women rush to some dance hall to satisfy a desire for amusement.

People who have used up their strength in Dancing, Late Hours, Rich Foods or have, perhaps looked too long upon the Wine when it was Red and have let Old John Barley-corn sap their vitality will find a boon in the use of Hacking's Heart and Nerve Remedy. It will dispel "that tired feeling," take away that feeling of depression and nervousness that comes from lowered vitality and brings back the healthy rich, red color to the cheeks. It will make your beauty sleep more satisfying so that you will awake in the mornings full of life and hope and more able to carry on with the day's work. The "habits that hurt" can more easily be overcome if you will use Hacking's Heart and Nerve Remedy to strengthen the Nerves, to give power to the Heart and to revive and stimulate the circulation of the Blood. Buy them from your dealer. 50c a box, 6 for \$2.50.
