The Family Herald and Weekly Star of Montreal has announced that after December 31st, 1920 the subscription price of that great weekly will be \$2.00 per year in Canada, England or Scotland, and \$2.50 to the United States. The recent heavy increase in the cost of white paper makes the slight advance necessary, in fact it is only a small portion of the increased cost over pre-war prices last Friday evening, under the auspices of production. All renewals and subscriptions, the publishers say, mailed before December 31st, 1920, will be accepted at the old rate of \$1.50. Even at the entertainment.
