## Why Not in Danville?

Wednesday's papers contained the statement that Attorney-General Roney had announced that the inquiry into the circumstances leading to the suspension of Magistrate Hastings is to be held in Cayuga on January 11th. John A. Patterson, K.C., is to conduct the inquiry, and R. U. McPherson is to act for the Crown. Why Cayuga should be chosen for the investigation is not stated. The deposition that waited on the Attorney-General secured his promise that it should take place here, and certainly neither Cayuga nor any other place can be so suitable or convenient.—Gazette.

## "Wanderings in the West Indies" Lantern Lecture

It is with regret that it has been found necessary to change the subject of the lecture announced for Monday evening next at the Music Hall, Jarvis. Owing to the slides of 'London' being required elsewhere the subject of the lecture will be "Wanderings in the West Indies." The lecture will include nearly 100 beautiful slides of life and scenery not only in the West Indies but also in Bermuda and Demarara. The Rector of St. Paul's has spent two separate holidays in the West Indies and the photographs which will be shown are mostly those taken by him whilst in the tropics. Admission will be 25 cents adults and 15 cents children and the proceeds will be given to the Missionary work of the church. Mr. Wretford hopes to deliver his lecture on "London" a little later in the season.

Mrs. Wilbert Biggar and daughter, Margaret, of Mount Hope, are spending this week with her parents, Mr. and Mrs. R. A. Walter. Mr. Biggar was also here for Christmas.
