LOCAL AND PERSONAL

Wedding Bells are ringing.
County Council meets on Friday at Cayuga.

D. F. Aiken, Simcoe, was in town Tuesday.

The Walpole Council met here in the village on Saturday last.

Dr. O. J. Newell, of Hamilton, spent Tuesday in the village.

Mass on Sunday next in St. Mary's Church, Hagersville, at 10.30 a.m.

Mrs. G. Leathong of Hamilton visited at her parental home here on Friday last.

Mr. Alex. Christie, of Rosland, B. C., has been visiting his brother at Garnet for the past few weeks.

Mr. and Mrs. Wm. Sanderson, of St. Thomas, spent the week end at the home of Mr. J. C. Sanderson.

Alfred Tonson's sale of farm stock and implements takes place on Saturday. John Deming is the auctioneer.

The U. F. O. convention which was to be held at Cayuga next Tuesday, has been postponed on account of the "flu".

The Eureka Bible Class gave a miscellaneous shower to Miss Eileen Porter in the Methodist Parsonage on Monday night.

Mr. R. B. Telford, of Drayton, formerly manager of the Bank of Hamilton branch here, spent the week-end in the village.

We are pleased to see Mr. John Deming, the popular auctioneer, able to be around again after being laid up with the "flu" for a week.

Mrs. F. G. Pettit left on Monday morning last to join her husband at Port Robinson, where he has recently opened a barber shop and pool room.

Mr. J. H. Brown, manager of the Bank of Hamilton, who has been laid up for a week or more with an attack of the "flu", is again able to resume his duties.

Messrs. D. C. Allen and I. Holtermann left on Sunday last for Lansing, Mich. They are bringing back two new Reo cars and expect to arrive home this Wednesday.

Hon. Manning Doberty, Minister of Agriculture, says that at the opening of the Legislature he proposes to introduce a bill to cover the sale of all milk and cream in the province on a butter-fat content basis.

Mr. Wm. Sowter, who has been undergoing treatment at the Toronto hospital for the past few weeks, returned to his home here on Friday evening last much improved in health. He was accompanied by Mr. Wad. Mason, who returned to the city on Monday morning.

Mr. Frank Reid, who has been superintendent of St. Paul's Presbyterian Sunday School, Simcoe for the past 29 years, has been forced to resign owing to the pressure of other duties. The session has appointed Hilton Forsyth superintendent, but Mr. Reid is held as honorary superintendent.

The person who finds an article and retains it after it has been advertised for, is in the eyes of the law, as well as morally as guilty as the person who commits a deliberate theft. Further, the person who finds a thing of any value and does not make an effort to find the owner is dishonest.

Mrs. Wm. Hewson returned home on Friday last after spending the past seven weeks in Montreal, where she was called on account of the serious illness of her son Jim. She reports him considerably improved in health but it will be some time before he will be able to return to work. She also says that Morgan has just recovered from an attack of the "flu".

There was a fairly good representation of teachers at the meeting held in the Hagersville High School on Friday evening, February 19th, but the committee would like to see as many as possible in attendance at the meeting to be held in Cayuga on Friday evening, March 5. Please reserve the date and plan to be present, as items of the greatest importance are to be discussed.

Owing to sickness and death in some of the Methodist families, the committee who had charge of the financial end of the Forward Movement were not able to complete their work in time for last week's paper. The report to date is as follows:—Jarvis \$1900 and Garnet 1000 making a total of \$2900 for Jarvis circuit and giving it second place in the district, Hagersville reports \$4404, Watford \$2866, Cayuga \$2841, Port Dover \$2500, Nanticoke \$1798, Walsingham \$1470, Townsend \$1100, and Simcoe \$825. The Simcoe Methodist having to rebuild their church is the reason for the seeming smallness of the amount contributed by them.

\$18.25 was paid for hogs on Monday. Easter Sunday falls on April 4 this year.

Mr. W. H. Cherry, Holstein breeder, of Garnet, has just installed a new milking machine.

Mr. Thomas Parkinson, of Hagersville, who has been seriously ill with pneumonia, is improving slowly.

For the first time in seventy five years The Montreal Weekly Witness will not publish this week, owing to inability to get paper.

Mr. Ernest Lindsay, of Hagersville, who recently underwent an operation for appendicitis at St. Joseph's hospital, Hamilton, was able to return home last week and is improving rapidly.

The Dominion Alliance is planning to have every Protestant pulpit in Ontario occupied on April 11 with a representative in carrying out a "Field Day," instituting a further temperance campaign.

The Selkirk hockey team will try conclusions with the Jarvis team in the local arena on Thursday night. Turn out and encourage the home boys in their endeavor to keep the village in the limelight in this popular winter sport.

Contrary to expectations, Hon. W. E. Roney, Ontario's Attorney General, received an acclamation in East Welling on Monday. It was thought up to the last minute that Col. Pritchard would contest the riding, but he retired.

James Curley, an Indian, who was in Caledonia last Wednesday, was found frozen to death on Sunday morning on the Reserve. Being an old man, it is thought that in going home he got off the road and lost his way and was overcome by the cold.

One hundred carefully selected leases are to be brought from Scotland to Ontario by the Ontario government, to be trained for nursing work in the provincial institutions. The first party of 50 will sail from Scotland on March 2nd and the next on the 19th.

Canada is now the world's second largest producer of paper. Last year this country produced over 750,000 tons of newsprint, of which 80 per cent. was exported to the United States and some 5 per cent. to the other countries. Only 15 per cent. of the paper produced is consumed at home.

The Tillsonburg News soliloquizes thus: If the country editor were to snap at all the inducements held out he would soon become a millionaire. If he ran a paper according to the popular notion he would be in the poor house. If he published all the items that were sent to him he would be in jail half the time and in the hospital the other half.

Lund's Lane Methodist Church, Niagara Falls, Ont., of which Rev. H. L. Roberts is pastor, nearly doubled their objective in the Forward Movement Campaign. The amount sought was \$3200, and \$9000 along with \$1500 for the Connexional Funds was raised. One member gave \$2500. A deputation from Barton Street Methodist Church, Hamilton, recently interviewed Mr. Roberts with a view to the pastorate of that charge next June, but Mr. Roberts couldn't see his way clear to leave his present charge.

Sudden Death At Selkirk

About ten o'clock on Tuesday morning last, Mr. Thomas Fitzgerald went across the street to Mr. Wm. Zimmerman's for water. Shortly after, his sister, Mrs. Honsberger, looked out of the window and saw his prostrate form in the snow near Mr. Zimmerman's house, and rushing across, they found that he had expired. The coroner was notified, but on account of the terrible storm raging and roads blocked he could not get there, and considered it unnecessary to hold an inquest, as it was heart failure. He was in his 69th year and leaves a wife and an adopted girl about 7 years of age. Funeral service was conducted on Friday afternoon by Rev. J. Wetlaufer.

Varency W. I.

The Varency Women's Institute held a very enjoyable evening at the spacious home of Mr. and Mrs. J. C. Ross. The evening was spent in music, games and contests.

Mr. Sam Hallander gave a very comic recitation which was much appreciated by all. Little Miss Audrey Mitchell drew the ticket, no 45, for the quilt. Mr. Ed. Harrop held the lucky number.

The Institute desires to thank Mr. and Mrs. Ross for their kindness in giving their home for this occasion.

There will be no meeting of Institute in March on account of so much sickness in the vicinity. The April meeting is invited to the home of Mrs. S. F. Saunders.

To Reorganize 37th Regt.

There was recently a meeting called of the officers of the 37th Haldimand Rifles, to be held at Hagersville armories, to discuss the reorganization of the local militia unit. Lt. Col. Gould and several other officers were present from Caledonia and Dunnville. Lt. Col. Gould was recommended to continue as acting O. C., while plans for reorganization are being developed. Capt. W. P. Lyon, of Caledonia, was appointed acting Adjutant pro tem.

Lecture on Italy

On Tuesday evening, at Chambers' hall, an interesting lecture entitled "Pictures from Italy" was given by the Rev. G. R. Wretford, M.A. The lecture was illustrated by over 80 beautiful photographic views of the principal cities of Italy. The lecturer began by conducting his audience by way of London, Paris and Switzerland to the Italian Lakes with their many scenic beauties. Thence to Milan where the magnificent Cathedral was visited. The next stop was at Florence, the city of flowers, the home of Dante and Savonarola, the city of Brunelleschi and Fra Angelico. Views were shown of its curious medieval buildings and splendid statuary. Thence the journey was continued to Naples and the surroundings of the beautiful bay were thoroughly explored, Pompei, Pozzoli, and Sorrento being all visited. Several beautiful pictures of Capri, the island home of the Emperor Tiberius, were also thrown on the screen. On the return journey nearly fifty views of Rome—ancient and modern—were shown, the Vatican and St. Peter's, The Pantheon and St. Paul's without the walls, as well as the great Roman Forum and the ruined palaces of the Caesars. Tivoli with its waterfalls was also visited and a drive was taken along the Appian way to visit the Catacombs, the Baths of Caracalla and other ruins, and the lecture concluded with the site of the execution of St. Paul and the magnificent church erected to his memory on the Via Ostia.

James Robertson Dead.

A notice of the death of James Robertson, G. T. R. agent, Drayton, appeared in the Globe of last Saturday. Mr. Robertson was at one time operator at the G. T. R. station here, and will be remembered by some of the older residents. He married Miss Esther Gray, daughter of the late Mr. Gray, who was at that time G. T. R. agent at Jarvis. Deceased was 59 years of age. His son is an operator at the G. T. R. station in Simcoe. The funeral took place at Drayton on Saturday afternoon.

TIGERS BEAT DENTALS 4-1

Dents Found it Impossible to Penetrate Tigers' Defence—Reise and Smith

The Jarvis contingent who witnessed the Tiger-Dental hockey game at Hamilton last Friday night were more than pleased with the game and the result, the Tigers' clinching the group honors by giving the tooth maulers a sound lacing. The Hamilton team put up a wonderful exhibition of hockey and deserved to win. The Herald in its report of the game has the following to say of the defence work of Reise and Smith—the local lad on the Tiger team: "Back on the defence, Reise and Smith were as impenetrable as a stone wall. Their defensive tactics were absolutely the best ever seen in the Hamilton rink. Dents couldn't commence to get past them. The runners-up—doesn't that sound nice?—tried every ruse they knew of in an attempt to force them apart but it proved impossible. They refused to be penetrated and they wouldn't argue the point. Sounds strange, maybe, but this big fellow Reise pairs up with Reise better than Joe Matte did. Some person usually comes to grief when an effort is made to get near the Tiger goal without consulting the Jarvis boy."

A Warning

Breathes there a man with soul so dead Who never to himself hath said, "My trade of late is getting bad, I'll try another ten inch ad."

If such there be go mark Tim well, For him on bank account shall swell; No angel watch the golden stair, To welcome him a millionaire, The man who never asks for trade By local ad or line displayed, Cares more for rest than worldly gain And patronage but gives him pain, Tread lightly, friends, let no rude sound Disturb his solitude profound; Here let him live in calm repose Unthought except by men he owes. And when he dies go plant him deep That naught may break his dreamless sleep;

Wherein no clamour may dispel The quiet that he once loved so well: That all the world may know its loss Place on his grave a wreath of moss; And carve on stone above "Here lies A chump who would not advertise."

Catalogues of the sale of Shorthorns to be held at Caledonia on March 10th can be had by applying to the Secretary, Hugh Scott, Caledonia.
