large crowd being present.

chairman, and gave a splendid address,
describing his trip to the Holy Land. He
told of the religious beliefs held by the
different peoples or sects of those lands,
as well as their habits, customs and char-
acteristics. He was listened to with rapt
attention throughout the address.

Mr. Siple, of Selkirk, and the pastor, Mr.
Mercer, also gave short and appropriate
addresses. The singing of the Big Four
Male Quartette, of Hamilton, was a treat
while Miss Grace Miller, of Hamilton, de-
lighted the audience with her humorous
and dramatic selections and character
songs. Mr. Walter Hutchinson rendered
appreciated violin selections, while Miss
Meta McMurchy acted as accompanist in
her usual capable manner.

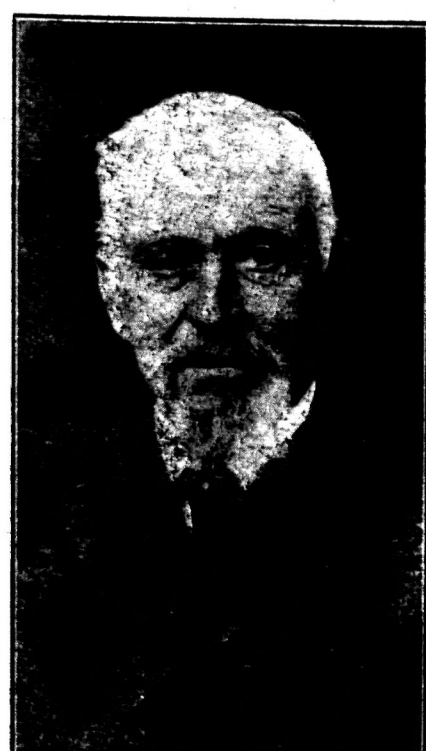

The proceeds of the evening were \$247.
The Ladies' Aid wish to express their
thanks to one and all for making the
evening such a decided success, and would
like it understood that the proceeds will
be well spent for Church repairs and im-
provements.

J. Alex. Wallace U.F.O. Candidate in Norfolk

Delhi, July 3rd.—J. Alex. Wallace,
farmer, of Simcoe, unsuccessful Liberal
candidate against Hon. W. A. Charlton
in the 1917 general election, was to-day
nominated for the House of Commons
by the Norfolk County U. F. O.

The hall engaged for the purpose was
not large enough to hold the large num-
ber who attended and adjournment was
made to the Methodist churchyard, where
an open air meeting was held.

Ten persons in all were nominated,
but four withdrew, leaving six to be bal-
loted upon. The first ballot gave Mr.
Wallace the necessary majority, and he
was declared elected.

THE LATE J. C. SANDERSON

One of the oldest and most respected
citizens of the village, in the person of
John Clark Sanderson, passed away at
his home on Elizabeth street, on Tues-
day morning last, in his 99th year. Al-
though in failing health for the past
year, he was not bed-fast until three
weeks ago, since which time he gradu-
ally declined until the end came early
this Tuesday morning.

J. C., as he was familiarly called, was
born of good old Scotch stock in the now
thriving little village of Kemptville,
Ontario, in the year 1832, his parents
coming from "Bonnie Scotland" a short
two months previous to his birth. It
was in the schools of Kemptville that he
received his early education, and with
his father, a carpenter, that he learned
his trade as a carpenter. Mr. Sanderson
lived in the town of his birth until he
was twenty years of age, then removing
to the states in the year 1852, working
for one year in Ogdensburg, N. Y. In
the year 1855 he came to Hamilton and
entered the service of the old Great
Western Railway Company, and after-
wards the Grand Trunk. After a few
years of honest toil as mechanic he be-
came Master of Construction in the En-
gineering department of the Grand
Trunk, which position he held with
credit till the time of his retirement from
railway service. He had charge of much
of the early construction work on sta-
tions and bridges, and was actively en-
gaged in the early building of the lines
now in operation west of Toronto and
the three great lakes. Bridges were his
chief work, and many of the principal
structures in Western Ontario are there
because of the skill and clever work of
work of this man.

He witnessed the construction and
opening of the old Great Western from
Niagara Falls to Hamilton in November
of 1853, the building and opening from
Hamilton to London in January of 1854,
and finally the opening of the line, Lon-
don to Windsor, in February of the same
year.

This, too, was the year of his first
marriage, the day of the "fall of Sebas-
topol," his bride being Miss Mary Tay-
lor, of Kemptville, and to whom were
born seven children.

During his railway career as Inspector
over construction work of bridges and
buildings in the civil engineering de-
partment of the G.W.R.R., he was head
over from 10 to 300 men. Bridges were
their main work and in their construc-
tion from piers to finish he was never
charged up with an accident, or in the
replacing of a bridge, with a delayed
train. Mr. Sanderson was also employ-
ed largely in the experimental work in
connection with construction of the fam-
ous Sarnia Tunnel. Mr. Sanderson lived
in Hamilton 2 years, Niagara Falls 5
years, Stratford 2 years, Galt 12 years,
London 3 years, Cayuga 4 years and at
St. Thomas 3 years, afterward living at
Jarvis for 12 years during his time as a
railway employee. For fifteen years he
successfully engaged in the lumber and
building supply business in Jarvis,
which he founded in the year 1900, sell-
ing out the same in 1915 to A. & W. J.
Bailey, of Hagersville.

Mr. Sanderson's first wife died in 1893.
His second marriage took place in 1897
to Miss Rebecca Steele, of Jarvis, who
predeceased him in March of 1916. Mr.
Sanderson was a faithful and active
worker of the Methodist church; in poli-
tics a staunch Liberal. He was also an
active member of the Masonic Order for
over fifty years, being initiated into
Masonry in Alma Lodge, No. 73, Galt,
on the 25th of January, 1868. He later
affiliated with King Solomon Lodge, No.
329, Jarvis, of which he was made an
honorary member some years ago.

The family consist of:—George, his
eldest son, who died in Montana seven
years ago; Elizabeth, (Mrs. Wm. Fal-
lis), of Wiwyn, Sask., who died last fall;
Mary, (Mrs. B. Cheesman), of New
York; W. K., engineer, of St. Thomas;
John, broker, of Detroit; Albert, law-

yer, of Portland, Oregon; and Isaac, of
Anaconda, Montana.

The host of friends of the late Mr.
Sanderson and of his family will sincer-
ely regret the passing of this valued citi-
zen and pioneer.

The funeral, which will be conducted
by the local Masonic Lodge, will meet
at his late residence at 2:30 o'clock,
p. m. on Friday of this week. Service
and interment in the Methodist church.

Married at Carman, Man.

On Wednesday, June 23rd, a pretty
wedding took place at the home of Mr.
and Mrs. Thos. W. Ivey, when their
third daughter, Phyllis Mary, became
the bride of Mr. Albert C. Lawson, of
Hamiota, Man.

The ceremony was solemnized
promptly at one o'clock, by Rev. I. B.
Wilson, of Winnipeg, in the presence of
about thirty guests. The wedding march
was played by Miss Mildred Ivey, the
bride's sister, and during the signing of
the register Mr. A. E. Ivey, of Melita,
Man., sang "Somehow I Knew" by Gray.

The bride looked very girlish in a
gown of white organdie, and carried a
bouquet of pink roses and fern. She was
given away by her father and attended
by her little niece, Iona Ivey, as flower
girl.

A dainty buffet luncheon was served,
and the happy couple left by motor,
about 3:30, the bride travelling in a
dress of blue pussy willow silk with hat
and coat of same color. After a honey-
moon spent in Winnipeg and points
south, Mr. and Mrs. Lawson will reside
at Hamiota.

Many beautiful presents were received
from Carman and other friends, with
whom Mrs. Lawson was associated in
Methodist church work and in business
life.

Iola Hal won the 2.00 pace at New
Hamburg on July 1st in straight heats
and broke the track record, making the
mile in 2.134. Driver Walsh piloted five
winners out of the six races at New
Hamburg.
