Itched and Burned. Scarcely Slept. Cuticura Heals.

"Pimples affected my face. They were large and always festered, and they were scattered all over my face. They afterwards turned into scales and when they fell off they left big marks until my face was disfigured. They itched and burned so that I scarcely slept at all."

"I had been bothered for nearly two months before I started using Cuticura, and after I had used three boxes of Cuticura Ointment with the Cuticura Soap I was completely healed." (Signed) Miss L. Burns, St. Basile, Que., June 6, 1918.

Use Cuticura Soap, Ointment and Talcum for all toilet purposes.

## SUNDAY SCHOOL LESSON

Lesson X. June 6, 1920. Saul's Failure. 1 Samuel 15: 1-25.

COMMENTARY—I. Saul untrue to his mission (vs. 1-9). Samuel stood before Jehovah and King Saul, the Lord sending messages through him.

Saul had reigned about twenty years, the Lord sent Samuel to him to go out against the Amalekites, and destroy them utterly, man and beast.

I. Saul's disobedience and its consequences. II. Saul's sin and sentence. III. Saul's disobedience.

1. Amalek's sin and sentence. The penalty of sin is never outwaded. National sins may bring national retributions long after the original transgressors have left the world.

2. Saul's sin and sentence. The Lord rebuked him for sparing Agag, the king, and the best of all the sheep and oxen.

II. Saul's disobedience. The Lord told Samuel what Saul had done, and expressed his displeasure at his failure to obey his commands.

III. Saul's disobedience. The present history permits us to look more deeply into Saul's character than we have yet done.

15. Saul's disobedience. The present history permits us to look more deeply into Saul's character than we have yet done.

22. To obey better than sacrifice. This is a great truth applicable to all time. The amount of sacrifice can take the place of obedience. Love and obedience are inseparably joined and are the basis and essence of true religion.

III. Saul's repentance vain (vs. 24-25). 24. I have sinned—This confession is in sharp contrast to his declaration in vs. 20, 21. Because I feared the people—Saul admits his guilt and confesses his weakness of character in giving heed to the men of his army.

25. Tardon my sin—Saul desires forgiveness and asks he seeks Samuel's pardon for what he has done against him and begs him to intercede with God in his behalf. Turn again with me, that I may worship—Saul feared that the outcome of his sin and earnestly desired Samuel to join with him in acts of worship.

Questions: Who were the Amalekites? What evil things had they done to Israel? What message did God give to Samuel for Saul? What response did Saul make? How did Saul perform his mission? What did the Lord tell Samuel? Give the conversation between Samuel and Saul. What was to be the penalty for Saul's failure?

## NEURALGIA AND SCIATICA

Caused By Starved Nerves Due to Weak, Watery Blood.

People generally think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve of the body. Different names are given to it when it affects certain nerves. This neuralgia of the sciatic nerve is called sciatica, but the character of the pain and the nature of the disease is the same.

When you build up the thin blood with Dr. Williams' Pink Pills, you are attacking neuralgia, sciatica and kindred diseases at the root. As proof of the value of these pills in cases of this kind, we give the statement of Mrs. Thomas McGuire, North Maiden, Ont., who says: "I have been a severe sufferer from sciatica, which attacked the sciatic nerve in the left leg. At times the pain was most excruciating and as a result of the trouble there was a distinct shrivelling of the leg. I could only hobble about by using a cane, and if I attempted to walk to the fields I would have to sit down every little while to ease the agony I felt."

Her Namesake. When Mrs. Lombard heard that the baby of her former cook had been named for her, she bought a suitable rattle with many jingling bells and went to see her namesake.

A Pill that Proves Its Value. Those of weak stomach will find strength in Parmelee's Vegetable Pills, because they serve to maintain the healthful action of the stomach and the liver, irregularities in which are most distressing.

Quack, Cough or Twitch Grass. This weed is a perennial, propagated by seeds and creeping root-stalks, and in all crops, having great power in spreading and choking out other plants.

# SPRING SEEDING IS NEARLY DONE

Recent Rains Have Helped the Grass.

Fruit Prospects Are Encouraging.

The following is a summary of reports made by Agricultural Representatives to the Ontario Department of Agriculture.

Grass has been improved by recent rains and warmer weather, but some representatives still regard pastures as being much behind, compared with average conditions at this time of year.

Fruit prospects, taken all together, are encouraging. Orchard trees of all classes are blossoming more or less freely, and although some raspberries have been frozen back, even they are berries are looking well.

Cattle are in good health, but as a rule are rather thin on account of the backward condition of pastures.

Bees did not winter well. Haldimand reports that many apiaries have lost more than half of their colonies.

Worth Knowing. Dirty eggs spoil more quickly than clean ones, but they spoil even more quickly after being washed.

Crabapples after careful removal of the soft ones, may be kept if placed in a crock and covered with water. A plate of round board should be placed over them and weighted down to keep the berries under water.

Milk is too precious to risk wasting in these days. Yet who has not experienced the annoyance caused by "boiling over"? This can easily be prevented if a pie funnel is in the centre of the pan.

Where madras muslin (and other muslin) curtains are used for short blinds, if they are hung up wet and without starching they will look quite as nice as if starched and ironed, and will last much longer.

JUST THE THING. "I want to get something for my husband," said Mrs. Newberry, "that will keep a long time and not give away." "I know the very thing, then," said Mrs. Experience, "but him some cigars of your own selection."

# MOST EVERYONE USES THEM FOR THE STOMACH

They Act Quickly, and Make You Feel Lively As a Kid

A crowning curative triumph in medicine is now given to the world and all who have been sufferers from stomach ailments, indigestion and headache can be cured by a purely vegetable remedy.

Half sick men and women who scarcely know what ails them, will be given a new lease of life, with Dr. Hamilton's Pills.
